About me:

Ms. Sneha S is an Assistant Professor in the Department of Computer Science and Engineering at The National Institute of Engineering (NIE), Mysuru. She has 0.6 years of academic experience in teaching and mentoring students in the field of computer science. Her research interests include Machine Learning, Deep Learning, IoT, Data Science and Artificial Intelligence.

She completed her MTech in Networking and Internet Engineering in 2025 from The National Institute of Engineering (NIE), Mysuru and B.E in Computer Science and Engineering in 2023 from ATME College of Engineering, Mysuru.

She has experience teaching several undergraduate courses, including Data visualization with Python, Research Methodology, Pytorch, Universal Human Values. Her teaching approach focuses on integrating theoretical concepts with practical, hands-on learning to help students develop a strong understanding of modern technologies and their real-world applications.

Qualification:

• **M.Tech** (Networking and Internet Engineering), The National Institute of Engineering (NIE), Mysuru-2025

• **B.E (** Computer Science and Engineering), ATME College of Engineering, Mysuru-2023

Courses Taught:

- Data visualization with Python
- Research Methodology
- Pytorch
- Universal Human Values
