

Faculty Profile

<p>Name : Mr. Mohammed Adnan Designation : Assistant Professor Department : Computer Science and Engineering Contact Details: E-mail : mohammedadnan@nie.ac.in Phone : 8217615409</p>	
---	---

About me: I Mr. Mohammed Adnan working as an Assistant Professor in The National Institute Of Engineering, Mysore for the department of Computer Science and Engineering. I have pursued my Bachelor's Of Engineering (B.E) in the year 2021 in the field of Electronics and Communication, also worked for an Industry for a couple of years in HP, then pursued my Master's Of Technology (M.Tech) in the year 2024 in the field of Data Sciences. My Academic Interests are C programming, Python programming, Machine Learning, Artificial Intelligence, Deep Learning, Cloud Computing, Data Visualization with Python, Data Science and Dev Ops. His teaching approach focuses on combining theoretical concepts with practical implementation to help students understand modern technologies and their real-world applications. I'm also interested in exploring research areas related to the Machine Learning Concepts, Artificial Intelligence, Dev Ops and Cloud Computing

Qualification:

B.E. (Electronics and Communication), ATME College Of Engineering, VTU
MTech (Data Sciences) JSS Science and Technology University, JSSSTU

Courses Taught:

- Artificial Intelligence
- Machine Learning
- Data Visualization with Python (DVP)
- Cloud Computing
- Dev Ops
- C programming

Certifications & FDPs:

- **FDP** on Advancing C Programming and Data Structures
- **Coursera:** Google Professional Data Analytics
- **DataBricks:** Data Engineering + SQL Analytics and BI

Other achievements:

- Formed new syllabus for the subject Cloud Computing and tailored it in such a way that it helps the students gain knowledge as well as hands on experience about the Cloud technologies in the modern-day trend.
