STEPHEN TESTER
INDEPENDENT FUNERAL DIRECTORS

Local Direct, Unattended Cremations

At Stephen Tester Funeral Directors, we can provide a direct, unattended local cremation, ensuring your loved one is cared for locally with kindness and respect.

Unlike national providers, they will be looked after at our own premises, and the cremation will take place at a nearby crematorium, keeping everything close to home.

We will arrange a date and time to fit within our schedule, and you can choose from two unattended options:

- A direct unattended cremation where no one is present.
- A direct unattended cremation with a short, intimate service in our funeral home chapel for up to 26 guests.

Both options offer a gentle way to say goodbye while keeping the arrangements simple and local.

Option A – Direct Local Cremation

We will take care of all the necessary legal and administrative arrangements on your behalf.

This option includes:

- Bringing your loved one into our care from within a fifteen-mile radius of our office during office hours
- Looking after your loved one at our own premises
- A direct cremation coffin
- A suitable vehicle to take your loved one to the crematorium
- Cremation fee at Kent and Sussex Crematorium or Wealden Crematorium

Total Amount: £1,950.00

Please note: there is no service, and no mourners are able to attend. The date of cremation will be arranged at our discretion.

Option B – Local Unattended Cremation with Short Service at our Beacon House Chapel

We will take care of all the necessary legal and administrative arrangements on your behalf.

This option includes:

- Bringing your loved one into our care from within a fifteen-mile radius of our office during office hours
- Care, preparation, and dressing of your loved one, with the option of viewing if requested (viewing additional £180)
- Our Firle Coffin (alternative available, extra cost)
- Provision of our hearse to take your loved one to the crematorium
- A short service in our funeral home for up to 26 mourners
- An officiant to lead the service
- Cremation fee at Kent and Sussex Crematorium or Wealden Crematorium

Total Amount: £3,700.00

Whichever option you choose, our team will be here to guide you with care and compassion, ensuring every detail is handled with respect.
