BOOSH
Beecroft Out Of School Hours

Kindy Orientation Information Sheet

How can I enrol my child for BOOSH in 2027?

To enrol for BOOSH you need to complete an enrolment form and pay the enrolment fee.

We are accepting applications for Kindy 2027 from Wednesday 11th November 2026. To apply for BOOSH and request the sessions required please:

1) Email BOOSH at admin@boosh.com.au on **Wednesday 11th November** (requests received before this date are not accepted).

2) In your email please list your **child's name** (or children), their **Date of Birth** and the **requested permanent sessions** (please be specific with which AM and which PM sessions you are requesting) or if you are looking for casual access only. Please let us know if your family may qualify for Priority of Access (additional documentation may be required).

3) Include your **payment receipt** for the $50 enrolment fee.

How do I pay the enrolment fee?

There is a non-refundable enrolment fee of $50 per family. Payments are made by bank deposit. Please put your child's name in the description

The BOOSH Centre
BSB 062113
Account 10024841

What is the enrolment process?

Families will be emailed an enrolment link and instructions. This enrolment form will ask you for child and parent/guardian information, immunisation certificates and any other medical documents required for the care of your child.

Once enrolment has been completed families will have access to book casual days, including Vacation Care in January 2027 (additional forms required – more information on Vac Care below).

What is the difference between Permanent and Casual sessions?

Permanent sessions are booked for you on an ongoing weekly basis until you notify the centre that you no longer require that session (2 weeks' notice required to cancel a permanent session). Casual sessions are booked by you through our booking app – up to 4 weeks in advance, and also include Vacation Care days.

All active families who have completed enrolment have access to book Casual days.

Permanent sessions must be requested in writing and when demand outweighs available space there can be waitlists for positions.

How and when will I be notified if my child will be booked for the permanent sessions I have requested?

Re-enrolment for current families is currently being conducted. It is expected that re-enrolment will be completed by the end of November. This will then allow us to begin offering permanent sessions to new families via email at the start of December 2026.

The BOOSH Centre cannot guarantee any places to the applying families. Families who indicate that they could qualify for Priority of Access will be contacted to provide any necessary information/documentation to support their claim.

Can I apply for Vacation Care in January 2027?

Yes, we both accept and encourage Kindy children to join us, at least for a few days, in January 2027 Vacation Care. The children benefit from becoming familiar with the school and surrounds, form friendships with other Kindy children and get to know our Educators and the older children. You must complete a permission slip for each Vacation Care period. Permission slips and the Vacation Care program will be available for parents to complete on our website towards the end of Week 6 Term 4 with bookings to open the following week.

Where can I find more information?

Further information can be found on our website www.boosh.com.au. Please notify us if there are any additional policies that you would like to view and they can be made available to you.

You can always contact The BOOSH Centre directly for access to the relevant information via phone 02 9980 8224 or email admin@boosh.com.au .
