	Application fee	975	-
	Enrolment fee	5,668	-

## Sibling Discounts

At XCL World Academy, we are pleased to offer generous sibling discounts to families with multiple children. These discounts are designed to make our world-class education more accessible to families. Below is an overview of the sibling discount structure for annual tuition fees:

- the 1st sibling and 2nd sibling will receive a 10% concession
- the 3rd and any additional siblings will receive a 20% concession

In addition, any newly enrolled siblings (brother or sister by birth or adoption) of any child already enrolled at XCL World Academy will receive a discount of SGD 5,200.

Child Number	Discount
1st Child	No Discount
2nd Child	10% Discount (1st sibling)
3rd Child	10% Discount (2nd sibling)
4th Child	20% Discount (3rd sibling)
5th Child	20% Discount (4th sibling)
6th Child	20% Discount (5th sibling)

The discount is applied in descending order of age, based on each child's grade level. The first child is considered the one enrolled in the highest grade at XCL World Academy, with subsequent children ranked in order of their class seniority.

**Important Note:** In the event that a child is awarded a scholarship or any other fee concession, the sibling discount will no longer apply.
