

ABOUT SANARE WILMINGTON

Sanare Wilmington supports adults navigating trauma, overwhelming emotions, and other mental health challenges while staying connected to work, relationships, and everyday life. The location offers Trauma-Focused IOP and DBT IOP, as well as individual outpatient therapy to support a wide range of mental health needs.

Our intensive outpatient programs bring together small groups led by experienced, compassionate therapists in a structured and supportive environment. Through evidence-based therapeutic approaches, meaningful group connection, and opportunities to practice new ways of responding in real time, participants build healthier patterns that carry into everyday life.

Whether you're exploring care for yourself or helping someone find support, **Sanare Wilmington** offers a place where change can take hold and lasting progress can begin.
