

How to withdraw funds from your account via the Totality Core web browser

The image shows a laptop screen displaying a 'Withdrawal application' form. The form is titled 'Withdrawal application' and is divided into several sections. The 'From account' section has a label 'Account' and a text input field. The 'To account' section has labels 'Account number', 'SWIFT', 'BSB/Branch code', and 'Bank name', each with a corresponding text input field. Below these, there is a 'Currency' field with a dropdown menu showing 'AUD' and a 'Cash available to withdraw' field with a value of '0.01'. At the bottom, there is a text input field labeled 'Enter withdrawal amount' and a 'Continue' button.

Walkthrough Guide

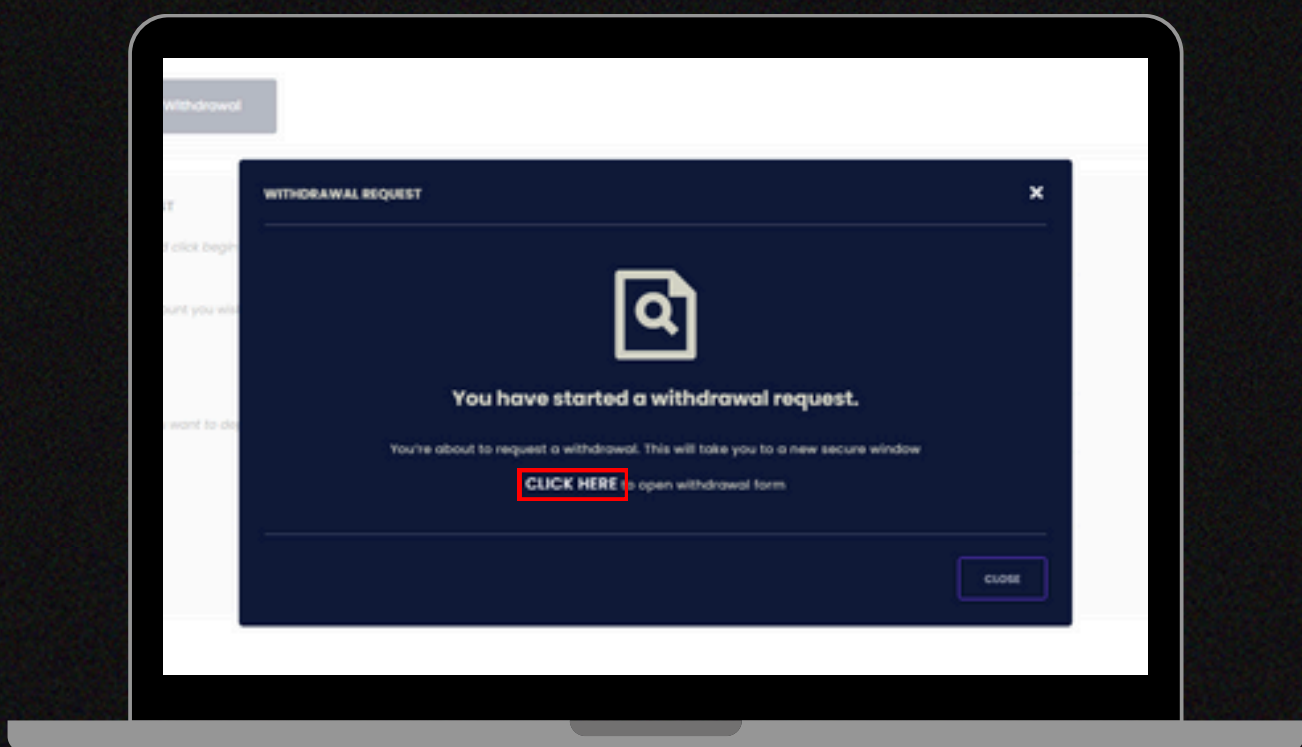

[Log in to Totality Core via your web browser at: core.totality.com.au](https://core.totality.com.au)

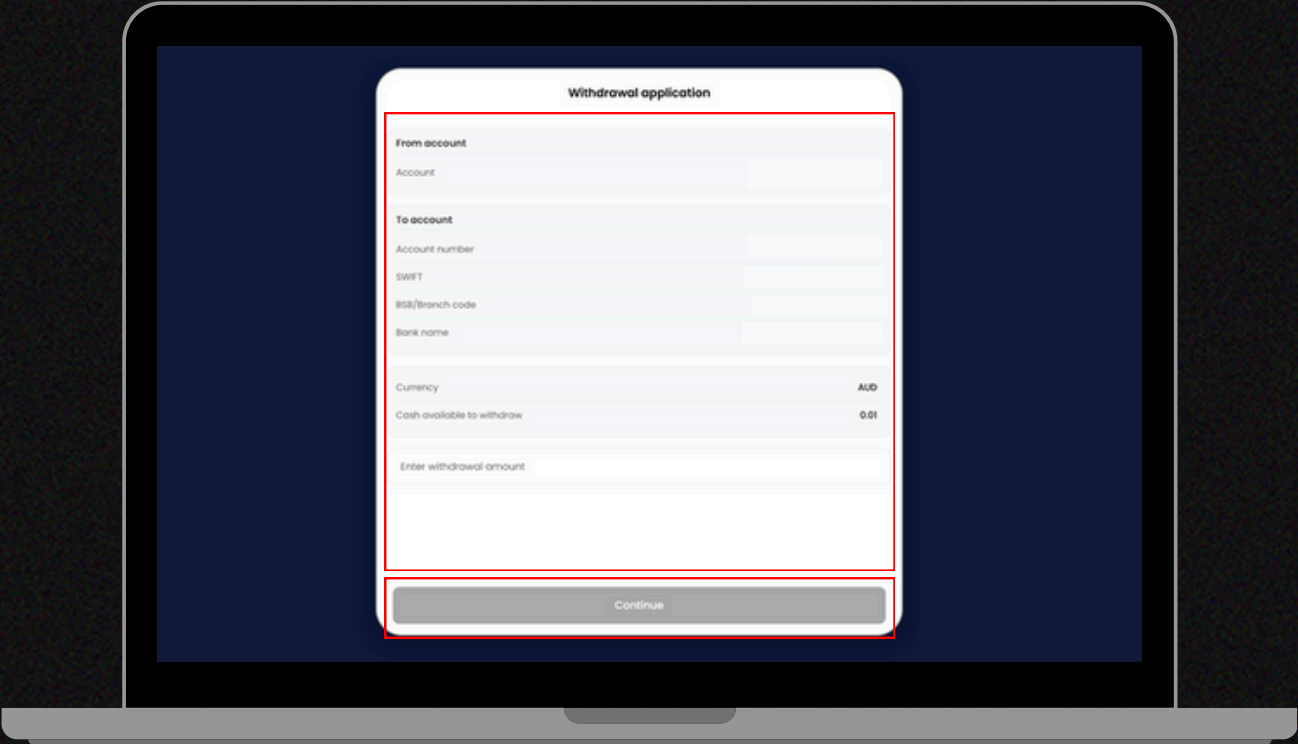

1. Click 'Deposit and Transfer'
2. Select 'Withdrawal'
3. Review and confirm that your account and bank account details are correct
4. Click 'Begin Withdrawal Request' to proceed

Click the "CLICK HERE" prompt to start your withdrawal form

Complete the withdrawal form, then click 'Continue'.
Please ensure all details entered are accurate before proceeding.

The image shows a laptop screen displaying a 'Withdrawal application' form. The form is titled 'Withdrawal application' and is enclosed in a white box with a red border. It contains several sections: 'From account' with an 'Account' field; 'To account' with fields for 'Account number', 'SWIFT', 'BSB/branch code', and 'Bank name'; 'Currency' set to 'AUD'; 'Cash available to withdraw' set to '0.01'; and a field to 'Enter withdrawal amount'. At the bottom of the form is a grey button labeled 'Continue'.

Please confirm the declaration form if you agree with its contents.

The image shows a laptop screen displaying a 'Declaration' form. The form is titled 'Declaration' and is enclosed in a white box with a red border. It contains a 'Disclaimer - Transfer Acknowledgment and Processing Terms' section with the following text: 'By confirming this transfer, you acknowledge and accept full responsibility for ensuring the accuracy of the beneficiary account details provided and acknowledge Totality have no liability for acting in accordance to this instruction to transfer. Processing timeframes may vary depending on the type of transfer, receiving institution, and external factors beyond our control. For guidance: Domestic transfers (within Australia) are typically processed within 1-2 business days. SWIFT (international) payments may take 3-5 business days, subject to intermediary bank processing and destination country regulations. In the event of any error arising from the information submitted, whether due to market fluctuations or circumstances beyond our control, we reserve the right to rectify such errors or take any action deemed appropriate on a case-by-case basis.' Below the disclaimer is a checkbox labeled 'I've read and accept the withdrawal policies.' At the bottom of the form is a grey button labeled 'Submit request'.
