 Bridge clearance (mast down) : 9' 11" | 3.02 m
 Bridge clearance (mast up): 12' 10" | 3.91 m
 Height on factory trailer (est.): 13' 1" | 3.99 m
 Length on factory trailer (est.): 38' 9" | 11.81 m
 Fuel capacity: 145 US gal | 548.9 L
 Water capacity: 45 US gal | 170.3 L
 Waste capacity: 40 US gal | 151.4 L
 Weight, dry: 10,800 lbs | 4,899 kg

The Ranger Tugs R-29 CB (Command Bridge) offers all of the innovative features that we've incorporated into the beautifully designed R-29 S but also adds the comfort, convenience, and excitement of a command bridge. The new command bridge features seating for four and a full suite of electronic controls including VHF, bow & stern thruster controls, Volvo engine controls, spotlight remote, lighted compass, autopilot, and Garmin Navigation system. Access to the bridge is achieved by climbing the teak steps in the aft cockpit area. On the bridge you'll also find convenient grab rails for safety, 12v power, cupholders, and weatherproof speakers.

The more modern styling of the R-29 CB features a curved front window and an overhead glass atrium that provides exceptional visibility from the helm station and salon area.

An ingenious aft cockpit seating arrangement includes a reversible seat, port and starboard jump seats and a teak table for outside dining. The opening cabin bulkhead with reversible seat provides additional cockpit seating while bringing the outside-in.

The Ranger Tugs R-29 CB can accommodate up to six adults on three separate berths, including the forward island berth with en-suite head. The R-29 is powered by a fuel efficient 320 HP Volvo Inboard Diesel engine that is located completely outside of the cabin for quiet cruising. Standard stern and bow thrusters with wireless remote make docking exceptionally easy.

Model Features

Garmin Navigation Suites at Upper and Lower Helm Stations

The lower helm features a 12" Garmin chartplotter. The command bridge helm is equipped with a 12" chartplotter. Both units utilize xHD radar, sonar, AIS receiving and autopilot with remote. Easily monitor fuel flow, engine data, bottom conditions, GPS location, tides and more from either station.

Command Bridge

Safely accessed by staircase, the command bridge features seating for four as well as a dining table, providing you with an entirely new perspective when entertaining or navigating. The command bridge helm station features a 12" Garmin chartplotter, bow/stern thruster controls, autopilot, VHF and Volvo engine controls.

Multifunction Seating

From the reversing sunset seat, which can face towards the cockpit or aft to take in the view, to the opening bulkhead seat, or folding side seats, all the seating in the R-29 CB maximizes available space and usability.

Full Galley

The full galley aboard the R-29 CB is a chef's dream, featuring a propane stove and oven with broiler, sink with pull-out rinse faucet, cutting board, ample storage, refrigerator/freezer combo, 110v outlet, wine/water cooler and microwave.

Bow and Stern Thrusters

Included bow and stern thrusters make docking and close quarters maneuvering a breeze. The wireless thruster remote allows for additional flexibility and control.

Cabin Atrium Skylights and Hatches

The cabin is open and bright, featuring overhead atrium skylights with heat reflective tint and opening rooftop hatches.

Performance

320 HP Volvo D4 diesel inboard
