The Ranger Tugs R-29 S (Sedan) is another masterpiece of innovation. The contemporary styling features a curved front window and an overhead glass atrium that provides exceptional visibility from the helm station and salon area. An ingenious aft cockpit seating arrangement includes a reversible seat, port and starboard jump seats and a teak table for outside dining. The opening cabin bulkhead with reversible seat provides additional cockpit seating while bringing the outside-in.

The Ranger Tug R-29 S accommodates up to six adults on three separate berths, including the forward island berth with en-suite head. The R-29 S is powered by a fuel efficient 320 HP Volvo Inboard Diesel engine that is located completely outside of the cabin for quiet cruising. Standard stern and bow thrusters make docking exceptionally easy.
