

Innovation Challenge Participation – YUKTI 2025

Students of the Department of Electronics and Communication Engineering have successfully participated in the AICTE Productization Fellowship – YUKTI Innovation Challenge 2025, organized by the Ministry of Education's Innovation Cell (MIC) and the All India Council for Technical Education (AICTE) hosted on 2nd December 2025 at M.S. Ramaiah University of Applied Sciences, Bengaluru..

The participation was for the project titled "Environment Monitoring Bot for NIE Campus - A case study".

The project lead M B Nishanth Aiyappa (6th semester) presented the work and Manoj Girish Bhat (4th semester) and Gagan Manjunath (4th semester) contributed substantially to the hardware design and implementation under the mentorship of Mrs. Shruthi R, Assistant Professor, Dept of ECE.

This participation highlights the department's emphasis on student-led innovation, applied IoT research, technology productization, and alignment with national initiatives under AICTE and the Ministry of Education.
