Rated 4/5 Stars • Rated 4 out of 5 stars 02/05/23 Full Review Audience Member This one was a slight bit more celebratory than comical. Although the laughter are there in bits and pieces distributed throughout this one. Rated 2.5/5 Stars • Rated 2.5 out of 5 stars 02/26/23 Full Review Audience Member Since this is a comedy special, I'm not going to do my usual organization lineup. This is my second favorite of the Dunham specials. Jeff Dunham does it again in this special with his pals Walter, Achmed, Bubba J, Peanut, and Jose Jalapeno On a Stick, where they talk about the holidays and what happens during them, politics, their "lives", and sing funny songs while doing so with guitar guy, Brian Haner. The only downs to this beloved special is that some jokes you can see the reality in after so long and it's low on the holiday feeling and just seems like another comedy special. On the upside, most jokes never get old and keep on making you laugh. Overall, awesome.
