

40 INT. MOTEL BATHROOM - NIGHT

The bathroom is STEAMY. Vivianne looks disheveled, with MASCARA running down her cheeks a bit, SWEATY HAIR. Vivianne sits on the TOILET smoking a CIGARETTE. The SHOWER is running, with the CURTAIN closed.

Todd reaches around the curtain, for the cigarette. Vivianne hands it to him without looking.

VIVIANNE
How's it going in there, Teddy?

Todd doesn't answer.

VIVIANNE
Todd.

Todd passes the cigarette back around the curtain.

TODD
I don't know.

VIVIANNE
It's gonna work.

Vivianne takes a drag of the cigarette.

TODD
It's not that. I know it'll work.

VIVIANNE
So you're having second thoughts?

Beat.

TODD
I just don't know if they *all* deserve it.

VIVIANNE
Trust me. They do. You know they do.

TODD
How can you be so sure? You got me into pills.

Vivianne hardens.

CONTINUED:

VIVIANNE

Need I remind you, George is literally taking your brother from you. He doesn't even seem to care that you're here.

Todd doesn't answer.

VIVIANNE

It will all be worth it. You'll see.

Todd doesn't answer again.

VIVIANNE

(playful again)

Just think on it. But not too hard.

Vivianne stands up, puts the cigarette out on the BATHROOM ASHTRAY, and walks out.
