

Max flops onto the beanbag.

MAX
I **would** win.

SAM
Guys, they take people... and their babies. I heard when they take babies they turn them into aliens and they grow and they pretend to be us.

MAX
Didn't that happen to that one family down the street?

SAM
Yes, the one with the mini-van.

RONNIE
All they did was move.

SAM
You don't know that.

MAX
I don't know, they were kinda weird.

RONNIE
(waving their hands around)
Ooo, I'm an alien.

BEAT

They always say that, 8th grade it was that plague.

SAM
Which was real.

RONNIE
9th grade it was the asteroid.

MAX
That's what killed the dinosaurs right?

SAM
Yes, and it could have happened again, I heard it on the radio.
