

RONNIE (CONT'D)
Fuck, I was just playing about the pasta.

MAX
It's not about the pasta!

RONNIE
I can't do this.

MAX
Do what?

SAM
Guys this sounded serious this time.

RONNIE
Dude...it's been the same sound since we were kids.

MAX
I did hear that the lady who did it was hot.

The two look at Max with a look of disbelief.

RONNIE/SAM
Max... Shut up.

Max shrugs them off.

RONNIE
I need to grab my bong, I can't be here all night like this.

SAM
Stop, you can't. These posters aren't down here for no reason.

All of the wall is covered in propaganda posters in the room.
Sam runs to the door.

RONNIE
We can probably leave, I mean last time it was like 30 minutes.

SAM
But one time it lasted for 5 DAYS.

MAX
That was in the 8th grade.
