

Kindness Matters Day of Service

SPONSORSHIP OPPORTUNITIES

MARCH 7TH, 2026

9 AM - 12 PM

About the Event

On Saturday, March 7, 2026, more than 200 volunteers will come together at the “Kindness Hub” at the Boca Raton Museum of Art for a morning dedicated to community impact. After gathering for inspiration, networking, and a light breakfast, participants will “disperse for good”—heading out across Palm Beach County to volunteer with local nonprofits and service organizations.

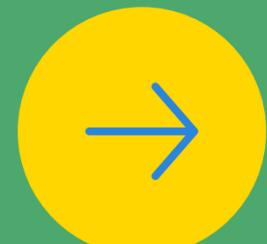

PREVIOUS HIGHLIGHTS

About the Event

Aligned with #SELday (**International Social Emotional Learning Day, March 2**), this event celebrates the values of empathy, connection, and emotional well-being that form the foundation of both strong schools and thriving communities. By joining this global movement, Kindness Transcends not only empowers local acts of service but also amplifies the message that kindness unites us all.

Funds raised through sponsorships will help bring this inspiring day to life and sustain the broader mission of Kindness Matters to nurture kindness, empathy, and resilience in children, families, and communities year-round. Sponsors will play a visible and meaningful role in strengthening our community while aligning with a cause that resonates deeply in today's world.
