Introducing Nepalese Craft Beer from the *Himalayas*

Barahsinghe-----\$5:98

Introducing Barahsinghe Craft Beer's flagship brew – a refreshing and harmoniously balanced premium dry-hopped lager. We use only the finest ingredients, including imported German malted barley, natural spring water, and aromatic hops, to craft a beer that delights the senses with its floral, woody, and spicy aromatics. Savor the crisp and invigorating taste of this finely brewed lager, which is sure to please your palate.

Arna Premium-----\$5:98

Arna is a prominent, crisp, and refreshing Nepalese lager beer brand brewed in the Himalayas by Yeti Brewery. It is known for its pure ingredients and includes several variants: the low-calorie Arna Light, the premium Arna Premium, and the strong Arna Strong (6.5% ABV). The brand is marketed as a "Wild Himalayan Beer" (Chill is life) theme.

Arna Strong-----\$6:98

Nepal Ice-----\$5:98

Nepal Ice is a popular lager-style beer brewed by CG Brewery in Nepal, known for its light golden color, crisp, and refreshing taste. Typically boasting around 5.5% ABV (up to 7% for strong versions), it is made from Himalayan water, high-quality malt, and hops, often described as having a smooth, slightly malty flavor profile.
