SPACIOUS AMPHITHEATER

EngineWorks' amphitheater is a vibrant space for community events, where people and ideas come together.

GRAB & GO

Fuel up fast with EngineWorks' Grab & Go, offering fresh food and drinks to keep you energized on the go.

A LOCATION UNLIKE ANY OTHER

**IT'S MORE THAN JUST A WORKPLACE—
IT'S A LAUNCHPAD FOR WHAT'S NEXT.**

EngineWorks offers businesses a unique opportunity to lease space within Montana State University's Innovation Campus—Bozeman's leading hub for research, technology, and growth. With direct access to MSU's world-class talent and research network—and surrounded by Bozeman's unmatched lifestyle—EngineWorks helps firms compete for, recruit, and retain top talent while placing their business at the center of innovation and inspiration.

THE BOZEMAN ADVANTAGE

Nestled among mountain ranges, Bozeman blends small-town charm with big-city energy, offering world-class outdoor recreation, a vibrant downtown, and a strong sense of community. Its excellent schools, growing economy, and unique lifestyle help attract talent from all over, allowing today's innovative businesses to thrive.

A LAUNCHPAD FOR INNOVATION

Located in one of Bozeman's fastest-growing areas, the 42-acre MSU Innovation Campus is designed to accelerate tech, biotech, and entrepreneurial growth. When complete, it will feature over 750,000 SF of space, including specialized labs, research offices, and light manufacturing facilities—creating a dynamic hub for forward-thinking companies seeking a vibrant ecosystem.

THE POWER OF MSU

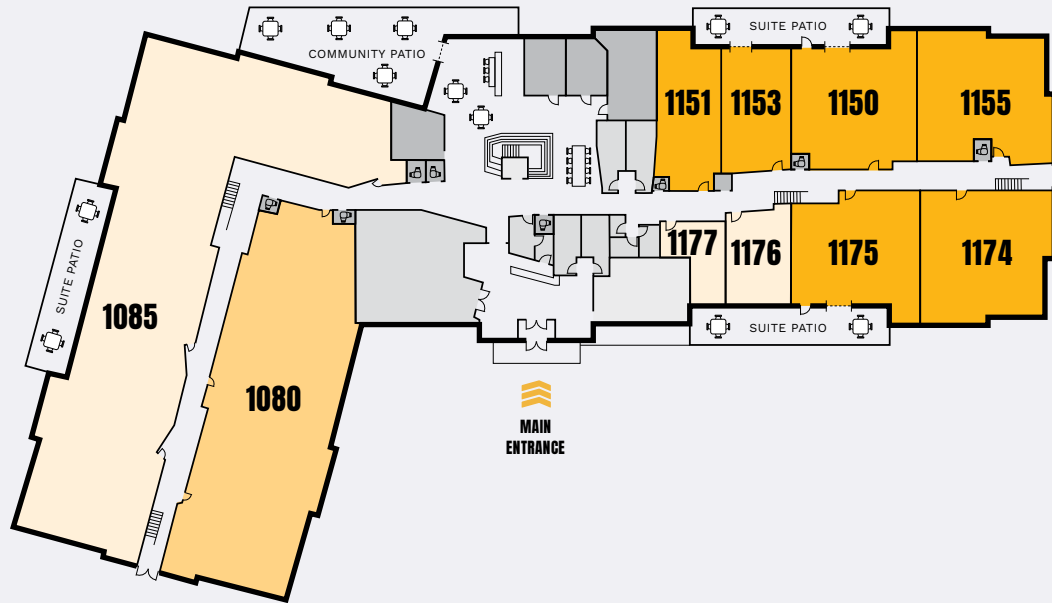

Montana State University brings unmatched human capital to the Innovation Campus, offering companies access to top researchers and a talented student pipeline. As the only university in a five-state region classified as “very high research activity” by the Carnegie Foundation, MSU fuels innovation and tech partnerships. EngineWorks serves as the magnet that draws talent and opportunity together.
