Information to help family members organise my funeral

BURSTOWS
Funeral Care
Since 1900

In the event of my death, I have recorded the following information here to help family members organise my funeral. This information will help ensure that the funeral service is carried out in line with my wishes.

I hope that, in providing this information, I am able to spare you, my loved ones, from potentially difficult decisions at what may be a troubling time. It may also serve to reassure you that the funeral service that you are arranging is as I would have wanted.

You may face the challenges of balancing my wishes with your own needs as mourners. Know that it is okay to put your needs first. Seek to fulfil the essence of my wishes, rather than the individual details. Remember, my funeral is held principally for your benefit, not my own. Take comfort from the ceremony and allow yourself this precious opportunity to grieve and grow through your loss.
