# HOW TO PROVIDE AUDIO VISUAL ITEMS TO BURSTOWS

---

## SUBMITTING AUDIO VISUAL ITEMS

- Please send all items via <https://wetransfer.com/> (This is our preferred way of delivery)  
This is a free online platform that allows for large format and quantity of data to be sent.  
When prompted, please send to [media@burstows.com.au](mailto:media@burstows.com.au)  
Please also give the email the subject title of the name of the individual eg: David Matthew Smith.
- If you are unable to send via the above option, hand delivery to Burstows of a USB or physical photos is accepted.  
(All photos must be freed from frames and photos albums)
- Please label photos appropriately eg: Front Order of Service, Canvas, Internal Watermark,  
Photo Tribute numbered 1 – 30 or Random

## CHOOSING STATEMENT PHOTOS

To make sure your photos look their best:

- Use clear, high-quality images that are in focus
- Make sure the head and shoulders are fully visible and nothing is blocking the subject
- Choose bright, well-lit photos with no harsh shadows
- Provide the original photo whenever possible (not downloaded from social media or photos of prints)
- Avoid photos that are too tightly cropped - the subject should be large enough to show clearly

*Tip: If you're unsure which photo will work best, send your top 3 choices in order of preference.  
We'll select the best one for each layout to ensure the highest quality result.*

## CANVAS

The canvas size is 41 x 51cm. The digital image provided for the canvas should be larger than 2MB to allow for the best quality print at that aforementioned physical size. If you have a number of favourites, we'd be very happy to receive 2 or 3 options and we'll work with the best of them!

## SOCIAL MEDIA FUNERAL NOTICE

This notice is provided as an addition or alternate to the Newspaper Funeral Notice.

- It will be provided in the same design choice as your Service Sheet
- Wording can be chosen from the examples provided or provide your own
- It can be created inclusive of a photo or have no photo, just words
- This notice will be posted to our Burstows Funeral Notice Facebook and Instagram pages  
as well as being provided to you for your use

## INTRODUCTION SCREEN

An Introduction Screen is a visual projection featured on the wall of the Chapel or church/venue as your service guests arrive and throughout the service. At Burstows it will also be shown on our external screen at the time of the service.

## MUSIC

Music is emotive and can help set the mood for any occasion. Songs chosen for the service can be traditional, favourites of your loved one, hymns, instrumental, or a mix of all of them! To give you an idea, here is a basic outline of a service:

- Gathering Songs (when your guests arrive for the service) – 3 songs
- Opening/Start of service – 1 song
- Photographic Tribute – 1 song
- Curtain Closing – 1 song
- Recessional – 1 or 2 songs
- Sprinkled in amongst those songs might be a hymn or two, a time of reflection, and/or a song played during Placing of Flowers/Sand etc.

Whatever your song choices might be – all music is to be in MP3 format and/or found in Apple Music (<https://music.apple.com/au/new>) due to copyright legalities.

## PHOTOGRAPHIC TRIBUTE

This tribute is to give a “snapshot” into your loved one’s life. 30 photos that best represent how they lived and loved. These photos can be shown in a particular order (numbered 1 – 30) or in random succession. The music length for 30 photos should be between 3 and 3.5mins long.

Should you wish to create your own Photographic Tribute, please ensure it is provided to us as an MP4 file with the music embedded (to avoid any added costs from Burstows to get it to that workable format). The preferred resolution of the photo tribute is 1920 x 1080.

*Note: If you supply a portrait/vertical photo MP4 file – not all photos will fit our landscape screen when projected.*

## PIONEERS ROOM LOOP

If you choose to have refreshments in the Burstows Pioneers Room, you may elect to have a collection of photos that is put on a loop and shown during the length of your refreshments.

This collection of photos can be the photos used in the Photographic Tribute or another selection provided by the family.

There is no editing of these photos and no music is played.

Just images and memories while you enjoy a cup of coffee and discussions with friends and family.

# SERVICE SHEET INCLUSIONS

Alongside (or instead of) the traditional order of service, you may choose to include meaningful extras that reflect your loved one's personality, passions, and story.

These additions can bring warmth, connection, and a sense of closeness to those attending. Consider elements such as a selection of favourite quotes or cherished memories, handwritten notes, meaningful mementos, a copy of the eulogy, photo collages, treasured recipes, hand or foot prints, artwork, or personalised messages of thanks.

Including these personal touches can help create a beautiful, heartfelt keepsake for family and friends.

There is no right or wrong way to create a service booklet, only what feels right for you and your family. The examples shared here are offered as inspiration, with many other options available.

## Photo Collage

Photo collage pages offer a beautiful way to reflect a life through images. These pages can feature one meaningful photograph or a collection of up to ten. The layout is carefully designed to complement the images provided, creating a balanced and meaningful tribute within the service booklet.

## Family Tree

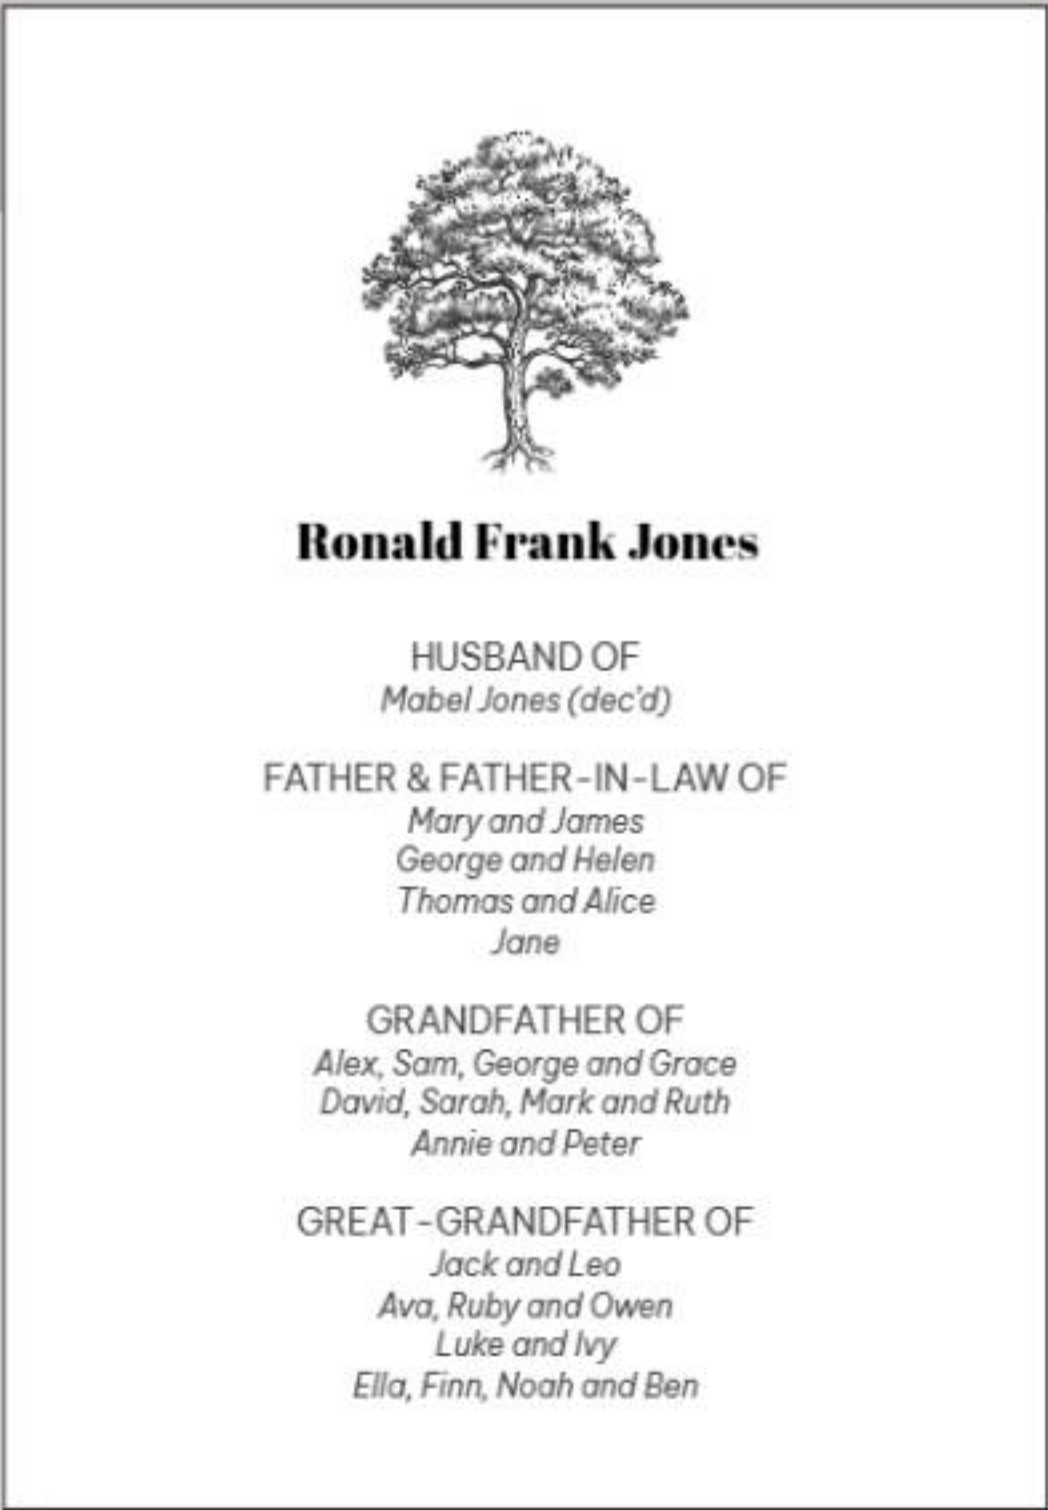

A family tree page provides a thoughtful way to acknowledge loved ones and relationships. Family members can be listed by generation, with the option to include a subtle tree illustration to visually represent the connections that shaped a life.

## Quotes / Memories

Words often carry the heart of a life lived. This page may feature favourite quotes, familiar phrases, or treasured memories contributed by family and loved ones, with the design carefully tailored to complement the selected template.

## QR Codes

QR codes can be included as a simple way for guests to access additional content. These may link to the Burstows Tribute Centre, a photo tribute, a donation link, a funeral playlist, or a shared folder where family and friends can contribute images and memories.

Grandpa-isms

at least make it a good story later."

"Remember: measure twice, cut once."

"If you can't find the silver lining,  
clean your glasses and have another look."

but I've got a guess for most of them."

"Family is everything, even when we annoy each other;  
Especially then."

"Life's too short to worry all the time.  
Have a laugh, have a rest, and try again tomorrow."

TREASURED IN OUR MEMORIES

THANK YOU

We wish to express our deepest thanks to everyone who is here today, and to all who have supported us in so many ways. Your presence, messages, and gestures of kindness have brought us great comfort.

We would especially like to thank the wonderful doctors, nurses, and hospital staff who cared for Dad with such patience and compassion. We will always be grateful for the dignity and comfort you gave him.

INVITATION

Please stay and join us for refreshments in The Pioneers Room, Burstows Funerals, immediately after the service.

For those who would like to continue reminiscing and raising a glass in Dad's honour, we will meet at Peter and June's home, xxx, Middle Ridge, from 5:00pm, where dinner will be provided.

REMEMBER ME

To the living, I am gone,  
To the sorrowful, I will never return,  
To the angry, I was cheated,  
But to the happy, I am at peace,  
And to the faithful, I have never left.

I cannot speak, but I can listen.  
I cannot be seen, but I can be heard.  
So as you stand upon a shore gazing at a beautiful sea,  
As you look upon a flower and admire its simplicity,  
Remember me.

Remember me in your heart:  
Your thoughts, and your memories,  
Of the times we loved,  
The times we cried,  
The times we fought,  
The times we laughed.  
For if you always think of me, I will never have gone.

Maria

Today, we come together to honour and celebrate the life of Maria, a remarkable woman whose presence brought so much warmth, wisdom, and steadiness into the lives of those around her. Born in 1930, she grew up in a time that shaped her into the resilient, resourceful, and quietly determined person we all came to know and love. Her early years instilled in her a deep appreciation for simplicity, hard work, and the joy found in the everyday moments—values she carried throughout her entire life.

Maria was someone who never needed to be the centre of attention to make an impact. Her strength was found in her gentleness, her patience, and her unwavering ability to make others feel welcome. Whether it was a warm smile, a thoughtful gesture, or a few carefully chosen words, she had a way of bringing comfort and reassurance to those who needed it most.

Family was at the core of who she was. As a mother, grandmother, great-grandmother, and loyal friend, she poured love into every relationship she held. Her home was a place where time seemed to slow down—a place where the kettle was always on, where stories were shared across the kitchen table, and where everyone, young or old, felt safe and cherished. She delighted in watching her family grow, celebrating their achievements, guiding them through challenges, and cheering them on, often quietly from the sidelines but always with immense pride.

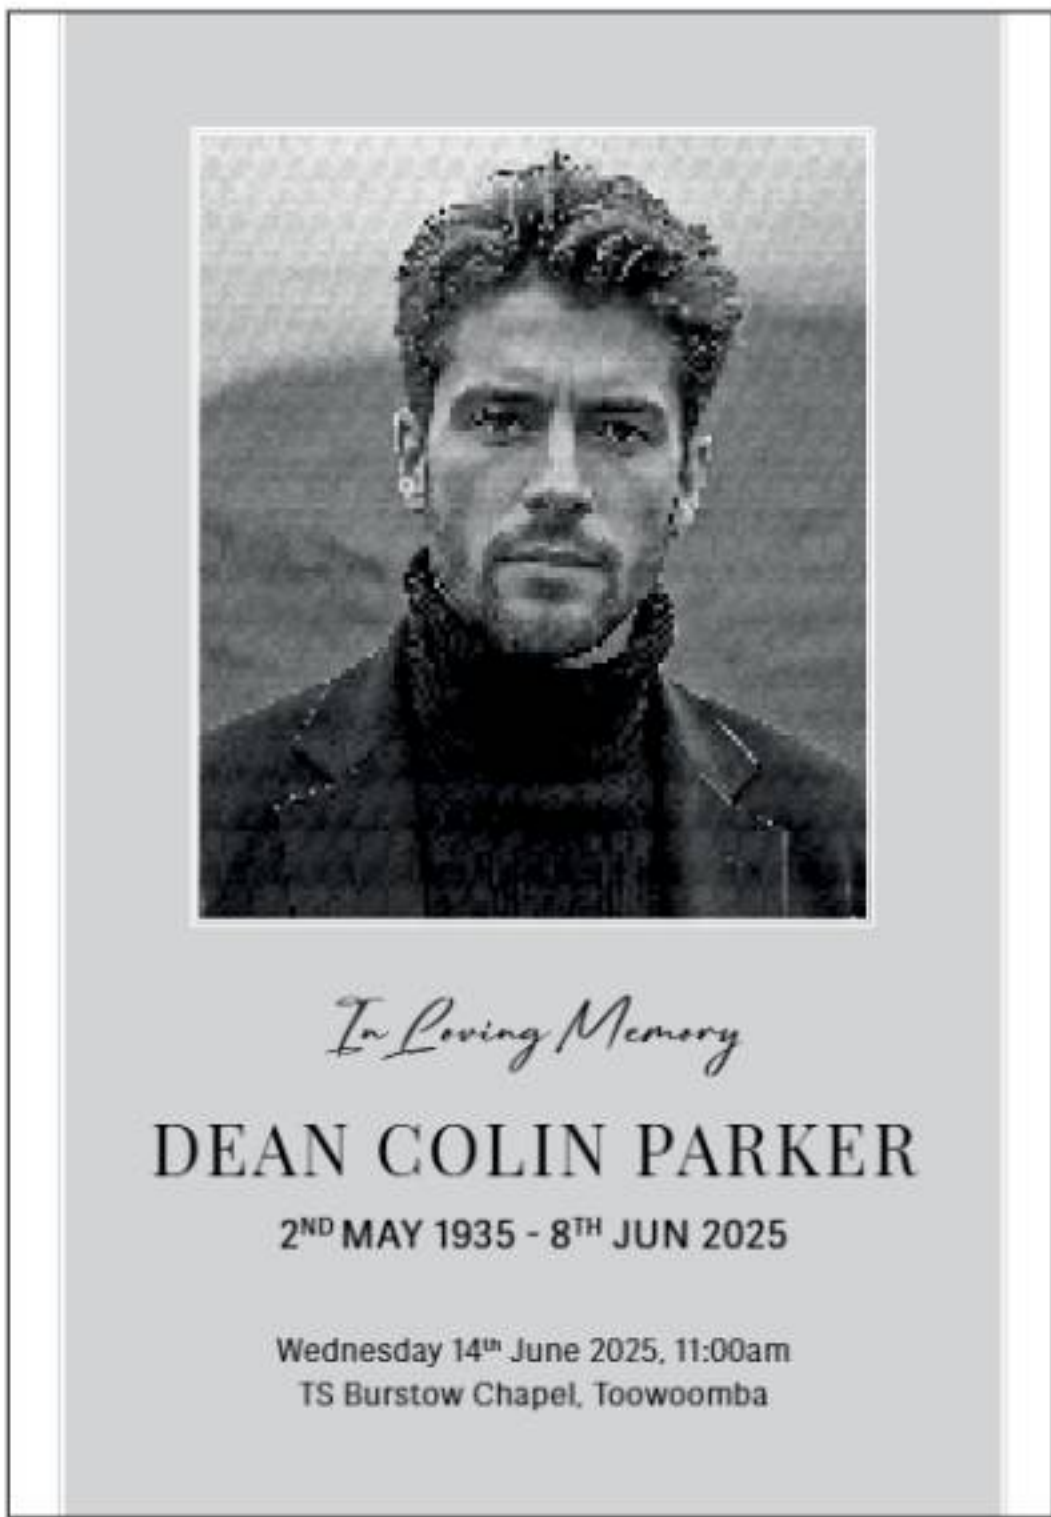

She had many passions that coloured her life: tending to her garden with its ever-changing seasons, keeping her hands busy with crafts or well-loved hobbies, or spending quiet afternoons reading, cooking, or simply enjoying the sunshine. She valued routine and consistency, yet she also embraced life's little surprises with a twinkle in her eye. Her sense of humour was subtle but sharp, and she had a wonderful ability to make even the simplest moments feel special.

As we gather today, we acknowledge our sadness at her passing, but we also recognise the profound privilege it was to know her. Her stories, her teachings, and the love she shared remain woven into the fabric of our lives. Each of us carries a piece of her with us—in the traditions she passed down, the values she taught, and the memories that will continue to bring comfort for years to come.

Officiant: Peter Aspin

Opening song  
"We'll Meet Again" - Vera Lynn

Welcome

Opening Prayer

Hymn  
"Amazing Grace"

1. Amazing grace how sweet the sound, that saved a wretch like me! I once was lost, but now am found, was blind, but now I see.  
2. 'Twas grace that taught my heart to fear, and grace my fears relieved; How precious did that grace appear, the hour I first believed!  
3. Through many dangers, toils and snares, I have already come: 'Twas grace has brought me safe thus far, and grace will lead me home.  
4. When we've been there ten thousand years, bright shining as the sun, We've no less days to sing God's praise, than when we'd first begun.  
5. Amazing grace how sweet the sound, that saved a wretch like me! I once was lost, but now am found, was blind, but now I see.

Song  
"I'll Walk Beside You"

I'll walk beside you through the world today While dreams and songs and flowers bless your way I'll look into your eyes and hold your hand  
I'll walk beside you through the golden land I'll walk beside you through the world tonight Beneath the starry skies ablaze with light  
And in your heart love's tender words I'll hide! I'll walk beside you through the eventide I'll walk beside you through the passing years  
Through days of cloud and sunshine, joy and tears And when the great call comes, though sunset gleams I'll walk beside you through the land of dreams.

Song  
*"I'll Walk Beside You"*  
I'll walk beside you through the world today  
While dreams and songs and flowers bless your way  
I'll look into your eyes and hold your hand  
I'll walk beside you through the golden land  
I'll walk beside you through the world tonight  
Beneath the starry skies ablaze with light  
And in your heart love's tender words I'll hide  
I'll walk beside you through the eventide  
I'll walk beside you through the passing years  
Through days of cloud and sunshine, joy and tears  
And when the great call comes, though sunset gleams  
I'll walk beside you through the land of dreams.

WELCOME & OPENING PRAYER

HYMN: *"Amazing Grace"*

1. Amazing grace how sweet the sound,  
That saved a wretch like me!  
I once was lost, but now am found,  
Was blind, but now I see.

2. 'Twas grace that taught my heart to fear,  
And grace my fears relieved;  
How precious did that grace appear,  
The hour I first believed!

3. Through many dangers, toils and snares,  
I have already come:  
'Twas grace has brought me safe thus far,  
And grace will lead me home.

4. When we've been there ten thousand years,  
Bright shining as the sun,  
We've no less days to sing God's praise,  
Than when we'd first begun.

"Miss Me, But Let Me Go"

When I come to the end of the road and the sun has set for me,  
I want no rites in a gloom filled room: why cry for a soul set free?  
Miss me a little, but not for long and not with your head bowed low,  
Remember the love that once we shared: miss me, but let me go.  
For this is a journey we all must take and each must go alone,  
It's all part of the master plan, a step on the road to home.  
When you are lonely and sick at heart, go to the friends we know,  
Laugh at all the things we used to do: miss me, but let me go.
