## Delta Dental PPO *Plus Premier*™

### Easy Access and Great Value – Your Delta Dental Networks

As a Delta Dental PPO *Plus Premier* subscriber, you have access to two of Delta Dental's extensive national networks—Delta Dental PPO, with more than 350,000 dentist locations and Delta Dental Premier, the largest dental network in the country with more than 450,000 dentist locations. Three out of four dentists nationwide participate in one or both of these networks.

You will enjoy great benefits when you receive your dental care from a participating dentist in either the Delta Dental PPO or Delta Dental Premier networks.

- Both networks offer discounted fees and a no balance billing policy.
- You will receive good value from Delta Dental Premier network dentists who generally accept discounted fees, but will be subject to the out-of-network co-insurance level shown on the front of this summary.
- You will enjoy the greatest savings when visiting Delta Dental PPO network dentists and will receive the in-network co-insurance level shown on the front of this summary.

If you choose to receive services from a non-participating dentist, you will have higher out-of-pocket costs as the Delta Dental contract rates and the no balance billing policy do not apply.

Delta Dental members can also take advantage of expanded discounts on many covered services, even after they have used up their benefit dollars, visit limits and other situations. Get the details at <http://www.deltadentalma.com/members/discounts-on-covered-services/>
