The Metropolitan Golf Club

2026

WELCOME TO METROPOLITAN

With nearly 125 years of tradition, The Metropolitan Golf Club is established as one of Australia's premier golf clubs—a venue that perfectly combines heritage, prestige, and exceptional amenities.

As the host of eight Australian Opens, an Australian Masters, a World Golf Championship, and the World Cup of Golf, some of the greatest golfers in the world have walked Metropolitan's pristine fairways.

Conveniently located on Melbourne's world-famous Sandbelt, just 30 minutes from the CBD, alongside a championship course our multimillion dollar clubhouse boasts an elegant dining room featuring floor-to-ceiling windows that treat guests to stunning views of our fairways and greens.

Whether you're entertaining guests or hosting a private dinner, our exceptional team takes care of the details – from planning your golf to curating dining experiences with premium food, quality wines, with exceptional service.

"It's such an amazing place. It's always been the benchmark for the conditioning, it's just incredible, the best fairways in the world, probably the best greens in the world. It's such a beautiful place."

GEOFF OGILVY
2006 U.S. OPEN CHAMPION
