What is the Parent Teacher Association (PTA)?

The PTA is an organization of parents/guardians at Seth Low that provides ways to connect with our children's education, share ideas, and enrich the school community in partnership with teachers and staff to support student success. You already belong! All Seth Low parents are automatically members of the school's PTA. There are no pre-qualifications required to participate in the PTA. (The term "parent" includes the student's parent or guardian, or any person in a parental or custodial relationship to the student.)
