AFTER-SCHOOL PROGRAM AT I.S. 96 SETH LOW

The Federation of Italian-American Organizations (FIAO), in partnership with the NYC Department of Youth and Community Development (DYCD), offers a free, high-quality after-school program at I.S. 96 Seth Low!

This program provides a safe, inclusive environment where students engage in academic support, creative arts, recreational play, and social-emotional learning. With a focus on reinforcing school-day lessons, building confidence, and developing life skills, the program supports the overall growth and well-being of each child.

Through hands-on activities, sports, and peer interaction, students are encouraged to explore new interests, strengthen decision-making skills, and form meaningful connections, all while having fun in a structured and supportive setting.
