

**POWER SPORT VEHICLE
GUARANTEED ASSET PROTECTION (GAP)**
BECAUSE INSURANCE
DOESN'T COVER EVERYTHING

If your Power Sport Vehicle is considered a total loss due to an accident or theft, your insurance may not cover all of your costs. In most cases your insurance only covers the actual cash or market value of your vehicle not your remaining loan balance. The result is a financial gap for which you are responsible and could mean thousands of dollars out of pocket for a Power Sport vehicle that you don't have or can no longer drive.

Recreation Edge GAP helps to cover your out-of-pocket liability.
