

ZONA[®]
GLASS OFFICE FRONTS

CUSTOMIZED FUNCTION, AESTHETIC CONSISTENCY

SEPARATE SPACE IN **STYLE**

Why ZONA?

ZONA Glass Wall Systems offer a minimal yet sharp profile to maximize daylighting capabilities. All product lines keep a consistent 1 1/2" profile, integrating seamlessly throughout the ZONA product families and are available in a vast array of finishes, sizes, and configurations. Our systems use proprietary solid steel blocks at all stress points while allowing for customization to meet all project needs. All systems have gone through rigorous testing by an independent certified lab for sound transmission, rigidity, and finish durability.

Proudly made in the USA, all ZONA Glass Wall Systems come with comprehensive 5-year warranty, providing peace of mind for long-term performance reliability.

System Thresholds

Product Specifications

Single Glazed Systems

FIXED GLASS THICKNESS	$\frac{3}{8}$ " , $\frac{1}{2}$ " or $\frac{5}{8}$ "
SYSTEM DEPTH	$1 \frac{3}{8}$ " or 2"
CORNER CONFIGURATION	Aluminum Post, Mitered Glass
INTERSECTIONS	Fly-by Post, Glass "T" Connections
MAX. FLOOR VARIANCE	$\frac{3}{8}$ " (Non-cumulative)

ZONA 1

ZONA 2+

Features & Benefits

Design Consistency

Easily complement any single glazed, double glazed, or adjacent product.

Narrow Sightlines

Maximize your clear view with $1 \frac{1}{2}$ " extrusion profiles between both single glazed and double glazed systems

Flexible Configurations

Enjoy seamless connections to moveable wall systems, all while choosing the best system, operation, and finishes to fit your space.

Maximize Natural Light

Improve mood, reduce stress, and create a more positive environment with increased daylighting.

ZONA 1
