

smart shopper

I'd like to buy a Backpack

Step 1: Find out some information about the different options you have

	Option 1	Option 2	Option 3
Shop Name	Makro	Yokico	Takealot
Price	☆ R1300	☆ R800	★ R550
Brand	☆ Boomerang	★ Yokico	☆ Volkano
Quality	★ Amazing	☆ Good	☆ Good
Extras	☆ Comfy	★ Looks cool	☆ Fav colour

Step 2: Give the option with the best price, brand, quality and extras a star by colouring in the empty star next to it.

Step 3: Reflect on your options and choose the best one.

Which option has the most stars?

- ☐ Option 1
- ☒ Option 2
- ☐ Option 3

Which option are you going to buy?

- ☐ Option 1
- ☐ Option 2
- ☒ Option 3

Why did you choose that option?

Well even though option 2 got more stars, I think option 3 is the same quality and it costs less. It's not worth the extra money just to get a Yokico bag because it's cool.
