

my wish list jar

Alongside your Save, Spend, Share, Sow, and Services jars, introduce a new one: the **Wish List Jar**.

When your child sees something they want, have them write it on a slip of paper and drop it into a "Wish List Jar." Then revisit it after 48 Hours

SERVICES

name _ _ _ _ _
my wish list jar

Reflect after 48 hours

Is this still something you really want?

Yeah I still want it but my friend showed me something else that is really cool.

For how long will you be able to use it after buying it?

Oh I'll eat it all up right away, it'll only last a day.

Do you want to buy it right now or put it back into the wish list jar for 2 days?

I think I can go two days without it, let's put it back in for now.
