

MY POCKET MONEY ESCAPE PLAN

THE BIG IDEA

If you save and invest enough money, it can earn money FOR you every year. If it earns enough to cover your pocket money... you're FREE! Let's find your number

YOUR FREEDOM NUMBER

① How much pocket money do you get each month?

R

② Multiply by 12 (months in a year)

R

③ Multiply by 25

R

This is how much you need invested so it pays you forever!

EXAMPLES

Monthly Pocket Money	Per year (x12)	Freedom Number (x25)
R100	R1,200	R30,000
R200	R2,400	R60,000
R500	R6,000	R150,000

HOW LONG WILL IT TAKE?

If you save 50% of your pocket money and invest it, it could take **about 14 years to reach your Freedom Number.**

TOO LONG?

Wanna get there before you are old? **Save more** of your allowance now, or find more ways to earn, like **starting a business!**

MY POCKET MONEY ESCAPE PLAN

GROWN UPS NEED WAAAY MORE

They pay for a home, food, electricity, transport, school fees, doctors, insurance, clothes, and much more. It all adds up fast!

YOUR PARENTS' FREEDOM NUMBER

① How much do your parents spend in a month? (Ask them)

R _____

② Multiply by 12 (months in a year)

R _____

③ Multiply by 25

R _____

This is how much they need invested so it pays them forever!

EXAMPLES

Monthly Pocket Money	Per year (x12)	Freedom Number (x25)
Young adults: R20,000	R240,200	R6,000,000
Small Family: R35,000	R420,000	R10,500,000
Average Family: R50,000	R600,000	R15,000,000

LET THAT SINK IN

You might need R60,000 for freedom but a young adult needs R6,000,000! Can you even imagine that number?

Now you know why grown ups work so hard.

YOU'VE GOT THE UPPER HAND!

Every Rand you save NOW is a head start grown-ups wish they had.
