MY MONEY TRAIL

THE BIG IDEA

Money is always on the move. It gets earned at work, lands in a bank account, and then travels to all the places a family needs it. Grab a pen and draw the paths money can take. Start at the workplace, send it to the bank, then draw arrows to every stop it flows to. Add your own stops if you know some!

WORKPLACE
where money is earned

Like this! Now draw the rest.

BANK ACCOUNT
a home for your money

GROCERY STORE
food for the family

HOME
rent, electricity, water

SCHOOL
fees, uniforms, books

POCKET MONEY

TUCK SHOP
pocket money spent

SHARING
giving to others

GETTING AROUND
taxi, petrol, bus

SAVING
pocket money saved
