Compliance Radar

June 2025

A quick roundup of latest compliance & regulatory shifts

01

Ethiopia – EFDA

Tightens Traceability Deadlines

| | |
|---|-------------------------|
| Sign EFDA-MVC Participation Agreement + Pay Fees | July 25, 2025 |
| EFDA-MVC Web Portal Goes Live (Traceability Reporting Begins) | June 26, 2025 |
| Report All Traceability Events | June 3, 2026 |
| Report Aggregation Events (Grace Period Ends) | December 1, 2026 |

»» Don't miss the onboarding webinars hosted by EFDA.

»» Portal sign-up opens on June 26, 2025. Companies need to share their full legal name, contact's name, title, email address, & phone number via email to EFDA-MVC-support@avc360.com.

02

Sri Lanka

Price-Marked Labels + QR Code

Effective immediately for all imported finished pharmaceutical products!

- The Maximum Retail Price (MRP)
- Product/Generic Name
- Strength, Batch, Date of Manufacture & Expiry
- Manufacturer name and site address

Labels must be printed & securely affixed to primary/secondary packaging (depends on product type)

- »» The changes are effective as of 31 December 2025 and apply to MAHs, Manufacturers, and Importers.
- »» Extension granted from June to December, but final push begins now.
- »» Ensure that labelling operations are aligned with local requirements before customs clearance.

03

Italy - NVMO

Launches Official Website

What's Inside?

- MAH onboarding guidelines
- Insights into EU FMD & Italy Regulatory frameworks
- Technical Docs + Regulatory Updates
- Dedicated FAQ section for industry stakeholders
- Contact information of NVMO Italia

»» Stay ahead in EU FMD compliance. Bookmark the website and never miss out on latest updates.

04

Nigeria – NAFDAC

Greenbook Goes Public

Digital tool to fight the surge in counterfeit and substandard medicines in Nigeria

Consumers, Pharmacists, and Regulators can now verify medical product authenticity by searching:

- ✓ Product name
- ✓ Brand
- ✓ NAFDAC registration number

If product is listed = It's NAFDAC-approved.
