Technology & Enterprise Club

Why join Cambridge Leadership School?

Gain a competitive edge with **certificates from CUTEC** (Cambridge University Technology & Enterprise Club)

Gain insights into **ground-breaking research** and **industry case studies** from Cambridge graduates and professionals who know it first-hand.

Discover the **Business Model Canvas** while also developing your leadership toolkit, from decision-making under pressure to motivating and inspiring others.

Develop **confidence and leadership skills** to lead and communicate effectively

Delve into the world of **leadership, innovation and business**, learn the principles of **design thinking and problem-solving** while also exploring **leadership styles, teamwork and communication**.

Develop your **critical thinking and research skills**, participate in **interactive sessions** to apply **entrepreneurial concepts and leadership theories** in a hands-on environment.

Learn how to explore **customer needs** and insights to create impactful ideas.

Meet your peers from different schools in Dubai and learn to lead effectively in teams.

Academic Programme

Your journey to a brighter future starts here!

Join us for an intensive and engaging 2.5 day Leadership and Entrepreneurship Bootcamp in Dubai, designed for high school students eager to step into the dynamic world of innovation, leadership, and business.

This fast-paced course will guide you through the fundamentals of leadership and entrepreneurship – including design thinking, business model development, teamwork, and pitching strategies.

You'll explore how to identify customer needs, design impactful solutions, and transform ideas into viable business opportunities. At the same time, you'll practice essential leadership skills: communication, collaboration, ethical decision-making, and personal effectiveness.

Led by an expert academic team, this bootcamp equips aspiring leaders and entrepreneurs with the tools to create, inspire, and succeed in today's competitive world.

Academic Team

Jonathan Andrews

Jonny Andrews gained an MA from Homerton College, University of Cambridge. He also represented the University of Cambridge at rugby and cricket.

Since graduating from Homerton College, he has worked for BlueBridge Education, designing and delivering educational programmes, and for Cambridge University Rugby Club as Assistant Director of Rugby. He is also currently studying for a Masters in Social Innovation at the Cambridge Judge Business School.

He has also taught extensively for BlueBridge Education and as part of the Homerton International Programme on a wide range of subjects, including Leadership, Communication, Business and Entrepreneurship.

Be Inspired. Be Cambridge.

At BlueBridge Education, we believe in the power of education to spark curiosity, unlock potential, and foster personal growth. Our mission is to ignite a lifelong love of learning and equip students with the skills, confidence, and vision to thrive in a changing world. Our programmes go beyond the classroom, combining academic excellence with practical skill development in small groups led by top academics and industry experts.

Scott Annett
