

Community Sponsorship Round 2

Stromlo Energy has again received an extraordinary response to the second round of early community sponsorship.

Stromlo Energy is delighted to announce the recipients of this round of sponsorship:

Upper Lachlan Landcare, Binda Recreation Reserve Land Managers, Crookwell Rotary Club, Tablelands Farming Systems, Binda Community Progress Association, The Binda Memorial Hall Committee, Crookwell Rugby Union Club, Crookwell Meals on Wheels, Narrawa District War Memorial Hall Association, Crookwell Car Club, Samaritans Purse Operation, Crookwell Cure Brain Cancer Foundation.

Stromlo Energy truly appreciates the time and effort put into all applications and values the positive impact these many groups bring to the region. It is inspiring to see the strength of community spirit through local charities, sporting achievements, volunteering, and community events.

The next round of funding will close on 31 August 2026, and organisations are encouraged to apply for this round as well. Sponsorship guidelines and application forms are available on the project website.

As the project progresses through planning and into construction, the sponsorship amounts will also increase, allowing support for more community activities in the future.

Crookwell Show & Rollin' Chrome

The Stromlo team had a wonderful day out in Crookwell with the community at both the Crookwell Show held on the 7th of February 2026 and the Rollin' Chrome event run by the Crookwell Car Club held on Saturday the 21st of February 2026. Well done to both organisers for spectacularly run events and fantastic days.

Crookwell Show and Rollin Chrome were recipients from Round 1 of the Stromlo Early Sponsorship program.

Stromlo looks forward to sponsoring more fabulous events in the Crookwell region in the future.

Meetings with neighbours to Limerick Wind Farm Site

Stromlo would love to receive input from the community to contribute in shaping the overall design of the project.

Please email contact@limerickwindfarm.com.au if you would like to meet with the Stromlo team. You can also book a meeting on the project website.

The Stromlo team will continue meeting with site neighbours over the coming months.

Community Benefits and Jobs

To join the local supplier register or submit ideas for community benefits, please email Stromlo or head to the website.
