Orlando Sentinel Media Group Names DiSTI Top Workplace 2025

Orlando Sentinel Media Group Names DiSTI A Winner of The Central Florida Top Workplaces 2025 Award.

Orlando, FL (September 22, 2025) – DiSTI has been awarded a Top Workplaces 2025 honor by The Orlando Top Workplaces 2025. This list is based solely on employee feedback gathered through a third-party survey administered by employee engagement technology partner Energage, LLC. The confidential survey uniquely measures the employee experience and its component themes, including employees feeling Respected & Supported, Enabled to Grow, and Empowered to Execute, to name a few.

“Earning a Top Workplaces award is a badge of honor for companies, especially because it comes authentically from their employees,” said Eric Rubino, Energage CEO. “That’s something to be proud of. In today’s market, leaders must ensure they’re allowing employees to have a voice and be heard. That’s paramount. Top Workplaces do this, and it pays dividends.”

Founded in Orlando in 1994, DiSTI has built a reputation as a leader in simulation and training technology for both defense and commercial markets. The company’s flagship software, VE Studio and its GL Studio toolkit are used worldwide to deliver immersive training solutions and advanced graphical user interfaces.

“We are honored to be recognized year after year as a Top Workplace,” said Jen Harding, head of Human Resources at DiSTI. “At DiSTI, we know that our people are our greatest strength, and this recognition validates our efforts to foster a culture of innovation, collaboration, and respect. We look forward to continuing this tradition of excellence in the years ahead.”

As the company continues to grow, DiSTI remains dedicated to providing its team with opportunities for professional development, work-life balance, and a workplace culture that inspires creativity and excellence.
