All of these ideas (*and thousands more!*) can be found in Places

Ice Breakers	This OR That? You can only have one forever...	Quick Games	Overrated or Underrated?
What's the most random thing that the internet has convinced you to buy?	Talk to animals OR speak every human language?	<b>One word guess!</b>  Elect someone to go first (or use the spinner wheel in Places!). This person chooses a mystery word. Then they give one word clues to help the other players guess what it is!	 Harry Potter
Who's the most famous person you've met? Tell us the story of how you met them.	Design your dream home OR curate your perfect wardrobe?	<b>Name that song</b>  The starting player plays a song on their phone, if the rest of the team gets the song, the first player plays a new song. The game continues until the player stumps the group.	 Stanleys
If you could live in a fictional universe, what would it be and why?	Never use emojis OR only use emojis?	<b>Last picture taken</b>  Show the team the most recent photo on your phone. The person to your right has to make up a little story about what they think is the meaning behind that photo, then you reveal the truth. Go in a circle until you've all shared.	 Valentine's Day
What's something you've seen or experienced that made you gasp in awe?	Be a contestant on Survivor OR Great British Bake-Off?	<b>Blindfold drawing</b>  Divide the group into two teams. One person from each team wears a blindfold (or closes their eyes!) and draws while their team guesses the subject of the drawing. Fastest team wins!	 Chips and guacamole
