

Reading Plans

The Lectio Bible

Welcome to *The Lectio Bible* — a new Bible designed to accommodate a very old way of reading: slow, peaceful, and with hearts attuned to Jesus. Because this Bible is as distraction-free as possible, with chapters and verses removed, we've created custom reading plans based on page numbers to accompany it.

What follows are four options to guide you through the library of Scripture at a natural pace, with selections for weekdays and a Psalm for the Sabbath day. We suggest choosing a plan that makes sense for you and printing it off to track your progress. As you slow down and spend time in Scripture over the next year or two, may you experience the joy of communion with Jesus.
