Manufacturing

All of our products
are proudly made in
Phoenix, AZ USA.

rflmfg.com

RFL MFG™ is the premier manufacturer of a wide variety of standard roof flashings, made specifically for the southwest roofing industry. At our plant in Phoenix, AZ, we manufacture all types of roof flashings, including but not limited to: drip edge, wall flashings, valley flashings, tile roof vents, and pipe jacks. All products are proudly made in the USA.
