**Beware of  
false prophets  
who come to  
you in sheep's  
clothing, but  
inwardly are  
ravenous  
wolves.**

**MATTHEW 7:15**

Dear Fellow Pastors,

As a Ugandan Pastor, my heart cries out to see our local churches overcome the evil that ravages our midst. False pastors, wolves in sheep's clothing, have infiltrated our ranks, deceiving many and destroying lives. Our beloved Church in Uganda faces grave threats from within and without.

But in the darkness, God's light will shine through.  
I long to see the day when all our churches become beacons of hope, truth, and love.

To achieve this, we urgently need trained leaders who can discern and combat false doctrine, who can feed God's flock with sound teaching, and who can model Christlike character.

With the power and authority of Christ, let us unite and stand on God's Word alone. Let us build strong Biblical, and Spirit-led churches that will withstand the gates of hell. Let us equip ourselves and our leaders to confront the darkness and bring the light of God's Word to our nation.

Together, with all the saints, and every church in Uganda, let us be found to be faithfully serving and guarding the Bride of Christ when our glorious Chief Shepherd, and King returns.

Yours in the gospel,  
Andrew Muwanguzi

The EveryBibleCounts: Stewardship Program is a 11-month (55-day) training program aimed at equipping Ugandan pastors with theological and practical skills to lead their churches effectively, using the authority of Scripture to address contemporary challenges and false teachings.

Our classroom-style program is led by Biblically qualified men and primarily designed for pastors and elders, but we welcome all deacons and teachers to strengthen their calling and ministry.

By the end of the program, we are confident you will have a strong foundation and be able to answer the following key questions with Biblical conviction.

**What** do I believe and why do I believe it?

**What** does the Bible say about it?

**What** should I believe according to the Bible?

**What** is my spiritual background?

**What** are my gifts?

**What** is God calling me to do with my learning?

**What** is the role of the Holy Spirit in my life and ministry?

**Where** is God sending me?

**How** can I be a more effective leader?

### OUR COMMITMENT

As Scripture says, "not many of you should be teachers," and we understand we will be held accountable to Jesus Christ for all we teach. Therefore, in the fear of God, we are dedicated to not tamper with His Word in any way and are committed to teaching you the full counsel of God with a clear conscience and without compromise.

We are committed to you as brothers and sisters in Christ, not merely as teachers to impart knowledge but to seek true transformation from the inside out—confessing and living a life that displays Jesus as your eternal Lord, Savior, and treasure.

Furthermore, upon successfully completing the program in good standing, EveryBibleCounts will bring printed and audio Bibles for the members of your churches so they can "test all things" by reading and hearing God's Word.

## ABOUT

# Who We Are

EveryBibleCounts is not a missionary organization, nor is it a church, but an alliance project of local churches and ministries in Uganda and United States that believe with full conviction in the local church, as the only institution endowed by God, promised by Jesus that the gates of hell would not prevail against it.

Therefore, we have united together and are partnering with the Chief Shepherd, Jesus Christ, to build and strengthen the local churches in Uganda to faithfully live out their calling as the precious Bride of Christ, and as the only enduring plan God will use to draw all people to himself, for the joy of the elect and the glory of our King.
