GALEON

620FLY

THE FUTURE OF YACHTING

The Galeon 620 FLY sets a new benchmark in modern yachting, introducing a groundbreaking vision where elegance meets next-generation innovation. This yacht sets a new standard for both, style and functionality.

Offering a seamless balance of space, comfort and versatility, the 620 FLY transforms every journey into a masterpiece of design and engineering.

Every inch of this yacht is crafted to inspire – from the innovative asymmetrical deck concept to the private owner's terrace area and customizable interiors. The 620 FLY is not just a yacht – it's a revolution in motion, built to elevate luxury to a whole new horizon.

UNMATCHED FREEDOM OF SPACE

Revolutionary Terrace Mode and Beach Mode combine fold-down balconies with direct access from the master cabin to create expansive outdoor living spaces, seamlessly blending elegance, freedom, and connection to the sea.

LEADING WITH
ELEGANCE
LIVING
WITHOUT LIMITS

With its signature wide U-shape hull, the 620 FLY offers unparalleled interior space and refined comfort, beautifully expressed in the expansive full-beam master suite and the exceptionally spacious, light-filled main deck.

VERSATILITY & **FREEDOM**

The flybridge is undeniably one of the most spectacular features of the 620FLY. Dedicated to alfresco lounging and dining, it offers immense living space, fully equipped wet bar and oversized sofas.

YOUR PRIVATE
SANCTUARY
AT SEA

The hull provides impressive volume, allowing for a custom layout that includes an airy and opulent master suite with a spacious bathroom and direct access to the terrace. A perfect setting to unwind and relax after a long day in the sun.

TERRACE MODE

REDEFINED

New era of yachting luxury, with foldable aft balconies creating an expansive waterside terrace that seamlessly connects the master cabin to a world of ultimate relaxation and style.

A NEW STANDARD OF ONBOARD LIVING

Exquisite materials are used to create an ambiance that rivals yachts far beyond this class. Breathtaking panoramic views, spacious cabins, and world-class amenities are carefully designed to elevate every moment at sea.

Founded in 1982, Galeon Yachts has grown into a world-class shipyard, blending a proud heritage with a relentless drive for innovation. Still family-owned and operated in Poland, Galeon stands among Europe's premier luxury yacht builders, known globally. With decades of experience, we continually set new standards in yacht manufacturing. Our shipyard has delivered thousands of yachts to discerning owners worldwide.

We strongly believe, innovation is not just a goal - it's a mindset rooted in decades of yacht building tradition. From our private marina on the Baltic Sea to state-of-the-art production facilities, every detail is designed to support bold ideas and impeccable execution.
