

APPLICATION INSTRUCTIONS

Apply ManureMagic by hand or with a scoop

Deep Pits

When completely pumped out, apply uniformly across the slats and rinse with potable water. Break up crust before application. Do not apply to crusted manure..

Lagoons and Slurry Structures

Uniformly apply across the entire lagoon or apply via applicator at time of pumping.

Pull-Plug Systems

Add each time pit is emptied.

Reapply after each major pumping, plug pull, or every six months.

Storage Type	Rate Per 1 Million Gallons
Swine	25-50 lbs ManureMagic
Beef/Dairy (Slatted Floor Pits)	50-75 lbs ManureMagic
Beef/Dairy (Lagoons)	40-50 lbs ManureMagic

STORAGE & CONDITIONS

ManureMagic can be applied year-round. Microbe activity is higher during warmer temperatures but remains effective in colder conditions. Shelf life is 5 years when stored in a cool, dry place. Do not store above 120°F for extended periods. Do not store outside.
