We are a debt free church with generosity as a hallmark. We are passionate about the deeper life of the Holy Spirit. Community is our middle name.

About the City

The Omaha metro has over 900,000 people – over half of which have no connection to a church home or life in Christ. It is known as one of the best places in America to raise a family. Cost of living is low, wages are high, education is excellent, health care is strong, arts are abundant, and people are warm and welcoming. The political and financial climate is conservative. Crime is low. Omaha is home to the world's best zoo and the College World Series. A citywide movement called Within Reach consists of forty churches committed to reaching the lost, planting churches, developing next gen leaders, and unleashing unprecedented compassion on the city. CCC is the convener of this movement.
