Week 13: Thursday 13 November 2025

Mr. Andy – Principal

Dear CES Community,

This week, we celebrated pupils' dedication and positive attitudes through attendance and achievement awards, recognising those who continue to set an excellent example for their peers.

Assemblies across all phases highlighted themes of respect, perseverance, and community, creating a purposeful and encouraging atmosphere each morning. Pupils in Years 3 to 6 enjoyed their visits to the Cultural Centre, returning with rich experiences and a deeper appreciation of the world around them. These opportunities added real value to their learning and supported their wider personal development.

Our whole-school mock inspection was another positive milestone, offering helpful insight as we prepare for the forthcoming BSO in section in February 2026. Staff responded with professionalism and confidence, demonstrating the strong foundations already in place.

The Parent Committee meeting was both productive and supportive, reinforcing the positive relationship between home and school and highlighting our shared commitment to pupil success.

Thank you to the pupils, teachers and parents for contributing to such a rewarding and productive week.

We are delighted to announce the introduction of our new Management Information System (MIS), called MyU, which has been designed to enhance communication and collaboration between the school and parents.

To access MyU, parents are requested to provide the school with your current email address.

Send email to info@cambridge-kw.com with your child's full name and class.

Pupil Recognition Awards – Congratulations 😊

Attendance Week Ending: 06.11.2025

CES Mangaf Week Beginning: 16.11.2025

Date	Event
Flag Raising Daily at 7.15am	
16.11.2025	Attendance Certificates

18.11.2025	KS3, Y3 & Y4 Assembly
19.11.2025	House Speaking Competitino
20.11.2025	Secondary Bake Sale

EYFS NEWS & PRIMARY NEWS

Ms. Gemeela – Head of EYFS & Primary

Thank you for supporting us through another successful week here at CES Mangaf. It has been a busy and enjoyable week, and I would like to share a few highlights.

Our Key Stage 2 pupils had a wonderful time on their trip to the Cultural Centre. The visit linked closely to the science curriculum, including the units they have been studying such as space in Year 5. Next week, our Year 1 and Year 2 pupils will also be heading out on their trips to Funtiki, which they are very excited about.

To end the week, we opened the Bankee store for our Primary pupils on Thursday. They were enthusiastic and enjoyed selecting their items using the Bankoz they earned. In Early Years, our KG pupils have continued their learning through the theme of the sea, exploring different sea creatures. Reception pupils have been working hard on developing their writing skills and showing lovely progress. Finally, thank you to all the Primary and Early Years parents who attended the Parent Teacher Committee yesterday.

Your feedback and support are truly appreciated.

SECONDARY NEWS

Mr. Alfred – Head of Secondary

This week in Secondary has been full of energy, teamwork, and determination. Our girls' netball team faced a local school in a thrilling match, coming within just one point of victory.

Despite the narrow loss, they fought hard, showed great skill, and played their hearts out—well done, girls! Meanwhile, our KS3 boys delivered an outstanding performance in football, securing a resounding 8–1 win at home, a testament to their focus and commitment on the pitch.

Our KS4 pupils enrolled in the AUM Robotics Competition continue to work diligently in preparation for the upcoming robotics competition on 22 November, refining their designs and strategies for success. Finally, pupils were given their last opportunity to express interest in joining the Duke of Edinburgh programme, an exciting chance to challenge themselves, develop new skills, and take part in memorable experiences.

Well done to all for a fantastic week of achievements!

Primary – Bankee
