Week 14: Thursday 20 November 2025

Mr. Andy – Principal

Dear CES community,

This week the school successfully marked pupil achievements through attendance certificates, and Pupil Recognition Awards, reinforcing positive attitudes and effort, while assemblies across all year groups promoted respect, kindness, and empathy.

The Debate Competition Final between Year 11 and Year 8 showcased excellent critical thinking and communication skills. After a close contest, Year 8 were announced as the overall winners, demonstrating maturity, teamwork, and confidence beyond their years.

The week also featured a range of student leadership activities and enrichment clubs, which continued to enhance the school's vibrant learning environment. Pupils in Reception, Year 1, and Year 2 enjoyed their educational trips to Funtiki at Al Kout, combining learning with fun and exploration.

Overall, it was a positive and engaging week that reflected the school's ongoing commitment to high standards, collaboration, and pupil well-being.

EYFS NEWS & PRIMARY NEWS

Ms. Gemeela – Head of EYFS & Primary

It has been another wonderful week at CES Mangaf. This week we had trips for our Year 1 and 2 pupils to Funtiki at AlKout Mall. They had a wonderful time and it was a lovely way to celebrate their new friendships. KG and Reception pupils dressed in red and shared food in class, which was a great way to finish off a week of hard work.

Across Primary, we have been busy preparing for the upcoming assessments. We are also excited to announce that we are getting ready for Book Week from 30th November. This will be an enjoyable week filled with reading activities and opportunities to further develop our love of reading- the week will end with a Character Dress up day where pupils can dress as their favourite book character.

Thank you to all parents for attending the weekly online meeting. The new time of 12 pm will continue as discussed during the meeting.

Have a lovely weekend and as always, thank you for your support.

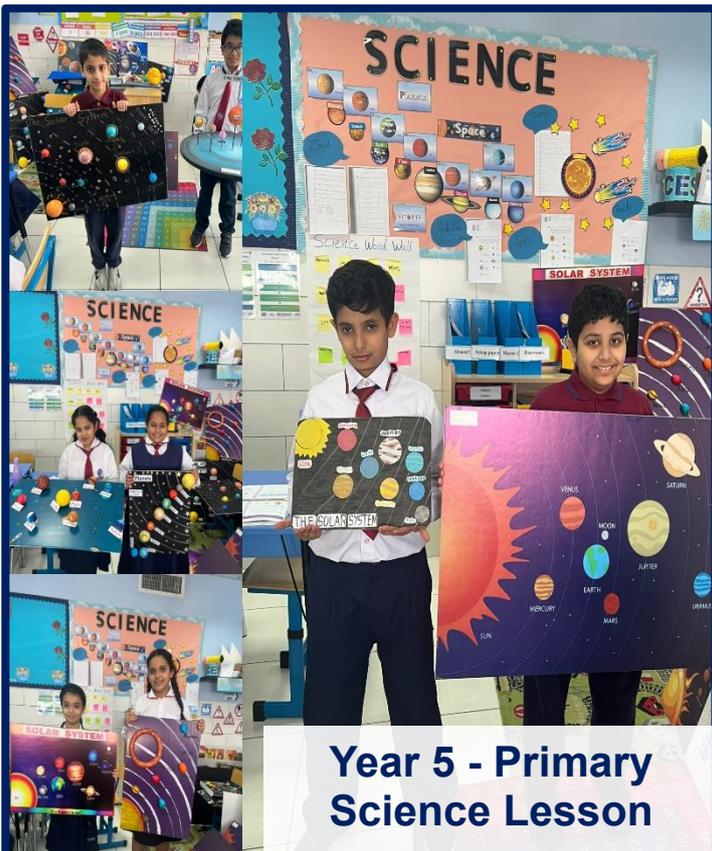

SECONDARY NEWS

Mr. Alfred – Head of Secondary

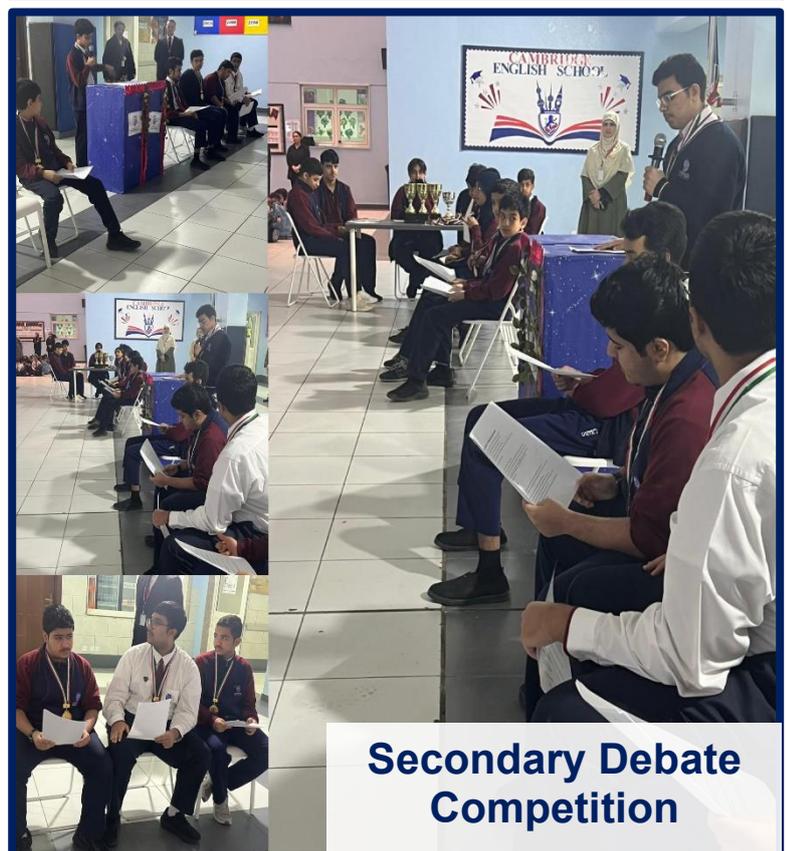

This week in Secondary exam preparation has continued in earnest, with pupils working diligently to prepare for their upcoming exams in just two weeks. Alongside their studies, students participated in the CES House Speaking Competition, showcasing exceptional debating skills.

Year 7 secured victory with their compelling argument that AI is the greatest educational invention of the 21st century, while Year 8 impressed with their case that facial recognition leads to a safer world. In a spirited match-up, Year 11 triumphed over Year 10 by proving that tourism is key to a healthy economy. Strong, vibrant arguments were exchanged, and pupils demonstrated great courage in defending their viewpoints.

In the finals, Year 8 battled Year 11 in defending the argument that homework should **not** be banned. Year 9 also enjoyed a successful Entrepreneur Day, practising valuable business and leadership skills. This Friday and Saturday, our students will compete in the AUM Robotex Competition against over 60 schools in the region, we are proud of their dedication and wish them the very best. It was a week of intellectual challenge, teamwork, and personal growth.
