Week 9: Thursday 29 October 2025

## Mr. Andy – Principal

Dear CES Community  
This week, we continued to build momentum across the school with daily flag-raising, pupil recognition, and assemblies that reinforced our values and celebrated success.

Leadership, pastoral, and faculty meetings supported alignment in teaching, learning, and wellbeing across all phases. Our Student Council and Prefect teams remained active, driving student leadership and representing pupil voice. Enrichment and club programmes took place throughout the week, offering pupils valuable opportunities to develop skills, explore interests, and thrive beyond the classroom.

As always, our focus remained on excellence, collaboration, and maintaining a warm, positive school culture for every child.

## Pupil Recognition Awards – Congratulations ☺

## Staff Recognition Award – Congratulations Ms Emma.

## Early Years – Rec Blue

## Year 7 - English

## Early Years - Reception Green

## EYFS NEWS & PRIMARY NEWS

Ms. Gemeela – Head of EYFS & Primary

Welcome back after what I hope was a wonderful half-term. This week has been a busy one filled with smiles and happy pupils returning to school. We received some wonderful special surprises (for selected students) from Bankee, and also began our new round of Experiential Learning Clubs. Some students have been working with our new Robotics kits, and we are in the process of planning several exciting trips, so please stay tuned for more details.

Next week, our KG and Reception students are looking forward to their trip to Funtiki – a fantastic first outing where they will continue to build and strengthen their new friendships.

Thank you for your support with the weekly online meetings and for your attendance. Your feedback is very valuable to us. Please note that the weekly online meetings will now take place at 12 pm instead of 11.30am.

Wishing you all a lovely weekend ahead.

## SECONDARY NEWS

Mr. Alfred – Head of Secondary

It gives me great pleasure to announce that I have been appointed as the new **Head of Secondary**. Having been part of the school community for 18 years, I am continually inspired by the strong sense of community among our staff, which, together with our shared commitment to excellence and academic achievement, forms the foundation of our success. I am especially proud that our students feel supported and know they can always turn to staff for guidance—a true reflection of the caring environment we have built together.

This week in Secondary, our **assemblies focused on expectations and attendance** as we prepare for the examination season in six weeks' time. We emphasised the importance of consistent attendance and readiness to make the most of learning opportunities. **Robotics training** also continued, allowing students to develop key 21st-century skills through hands-on problem-solving and technological exploration. Meanwhile, our **student leadership team** made valuable contributions, offering creative ideas for upcoming House events and meaningful initiatives for **Anti-Bullying Week**. I look forward to working collaboratively with all staff to support every student's growth and success. Thank you for your ongoing dedication and commitment to our school community.
