

ISSARA BELMOND

NEWS LETTER - MAY 2026 EDITION

CONNECTIVITY ADVANTAGE

Issara Belmond continues to stand out for its exceptional connectivity, offering residents a seamless blend of accessibility and convenience. With direct connectivity from the project to the service road now operational, access has become smoother and more efficient for residents, visitors, and stakeholders alike. Strategically located near ORR Exit 15, the project enjoys excellent proximity to key destinations, including Hyderabad International Airport, just approximately 10 minutes away. Enhanced access corridors further contribute to faster daily commutes, making everyday travel effortless. At Issara Belmond, luxury is not just defined by expansive living spaces, but also by the ease of seamless movement and superior connectivity

Enhanced Connectivity, Elevated Convenience

Road widening works from Pedda Golconda Junction have officially commenced, further enhancing connectivity and ease of access to Issara Belmond. This key infrastructure upgrade significantly improves commuting convenience, enabling seamless connectivity to Hyderabad International Airport in approximately 10 minutes while reinforcing the project's strategic location advantage and elevating everyday accessibility for residents.

A Grand Welcome Awaits

The beautifully curated landscaping at Issara Belmont's main entrance has now been completed, marking a significant milestone in the project's development. Designed to reflect sophistication, tranquility, and eco-conscious elegance, this grand arrival experience creates a lasting first impression that mirrors the premium standards of the community. With lush greenery and meticulously planned design aesthetics, the entrance now truly embodies the essence of Issara Belmont—luxurious, welcoming, and timeless.

Building the Vision:

Brickwork across Issara Belmond has now reached an impressive 90% completion across all villas, marking a significant milestone in the project's construction progress. As each structure continues to take shape beautifully, this achievement reflects our unwavering commitment to superior construction quality, meticulous attention to detail, and timely execution. Every completed wall brings us one step closer to transforming the vision of refined luxury living into reality, reinforcing the steady momentum with which Issara Belmond is progressing toward completion. >>>

Crafting the Details of Luxury Living

Plastering work across the villas has now reached 80% completion, with the homes steadily taking on a smooth and refined finish that highlights their architectural elegance and craftsmanship. As the structures begin to reveal their true character and charm, the vision of sophisticated luxury living at Issara Belmond is becoming more tangible, reflecting our continued focus on quality construction and consistent progress.

MODEL VILLA EXPERIENCE

Model Villa No. 29 at Issara Belmond has now been completed and is ready to welcome prospective homeowners, offering a true preview of refined luxury living. Designed to reflect the final handover standards, this showcase villa provides a firsthand experience of the project's premium finishes, meticulous architectural detailing, spacious planning, thoughtfully curated interiors, and sophisticated design language—marking an exciting milestone in bringing the Issara Belmond vision to life.

A New Luxury Showcase Coming Soon

Model Villa No. 45 at Issara Belmond is nearing completion and will soon unveil a fully furnished luxury showcase, offering prospective homeowners a complete glimpse into the curated lifestyle envisioned for the community. From elegant furnishings to immersive spatial experiences, this upcoming model villa will bring Issara Belmond's luxury narrative to life in its fullest form, delivering a truly refined and inspiring living experience.

CLUBHOUSE & COMMUNITY

The clubhouse at Issara Belmond, envisioned as the social and wellness heart of the community, has now reached 50% completion with three structural slabs successfully completed. Designed as a thoughtfully curated lifestyle destination, it will offer residents premium wellness amenities, recreation zones, social gathering spaces, and exceptional leisure experiences—creating more than just a clubhouse, but the true heartbeat of vibrant community living.

SERVICES

All essential infrastructure works have now been successfully completed, marking a major step in the project's development. This includes the completion of electrical lines, street lighting, and communication infrastructure for seamless internet connectivity, along with fully operational storm water drains, underground drainage systems, water supply lines, water meters, and drain saucers. The landscaping water supply network has also been completed, ensuring efficient support for the project's green spaces and enhancing the overall community environment.

able Progress: A Milestone in Responsible Development

The successful completion of the Sewage Treatment Plant (STP) marks a significant milestone in Issara Belmond's journey toward responsible, future-ready development. Designed to ensure efficient wastewater management across the community, the STP reflects our enduring commitment to sustainability, environmental responsibility, and eco-conscious infrastructure—reinforcing our vision of creating not just luxurious living spaces, but a greener and more sustainable lifestyle for generations to come.
