- The Policy effective date.

No enrollment is required if the Policy replaces a group policy issued by us or by another insurance company, and you were covered under the prior policy on the day before that policy was replaced by our Policy. The amount of Contributory coverage that becomes effective on our Policy effective date will be at the same level as under the prior policy, subject to the terms of our Policy including any maximum coverage amounts under our Policy.

Evidence of Insurability is required for coverage under the conditions described below. Coverage is subject to the Evidence of Insurability requirements that are in force on the effective date of coverage. EFFECTIVE DATE OF COVERAGE

For Noncontributory coverage, you will be covered at 12:01 a.m. standard time at the Policyholder's address on the date you are eligible for coverage.

CHANGE OF INSURANCE CARRIERS

We will provide continuity of coverage under our Policy if both of the following are true:

- You are not in Active Employment due to sickness or injury or due to an Employer-approved non-medical leave of absence on the date the Employer changes insurance carriers to our Policy.
- You were covered under the prior group life policy, including payment of premiums to the prior insurance carrier when due, on the day before the coverage for your eligible class under our Policy became effective.

You are not eligible under this provision if any of the following are true:

- Your coverage is being continued under a waiver of premium (or any similar) provision of the prior policy.
- Your coverage is being continued under a continuation or portability provision of the prior policy.
- You converted your coverage with the prior insurance carrier.
- You are not in Active Employment due to reasons other than sickness, injury or an Employer-approved non-medical leave of absence.

If you are eligible for continuity of coverage under this provision, we will provide limited coverage under our Policy. Coverage under this provision will begin on the date your eligible class is covered under our Policy and will continue until the earliest of the following:

- The date you return to Active Employment.
- The date the Employer-approved leave of absence ends.
- The date your continuation would end under the terms of our Policy.
- The date your continuation would have ended under the terms of the prior policy.
- The date coverage would otherwise end, according to the provisions of our Policy.
- 12 months following the date you were last in Active Employment.

Your coverage under this provision is subject to payment of Premiums.

Any benefits payable under this provision will be the lesser of the amount of coverage under the prior policy had it remained in force, or the amount you are eligible for under our Policy. We will reduce our payment by any amount paid under the prior policy.

If your coverage under this provision ends while the Policy is in force, and you are not otherwise eligible for insurance under the Policy, then you will be eligible for conversion as described in the CONVERSION provision.

If you were not covered under the Employer's prior policy on the date that policy terminated, then the EFFECTIVE DATE OF COVERAGE provision will apply.

TERMINATION OF COVERAGE

Your coverage under the Policy ends on the earliest of the following dates:

- The date the Policy terminates.
- The date coverage for all Active Employees under the Policy terminates.
- The date you are no longer in an eligible class.
- The date your eligible class is no longer covered.
- The date you voluntarily cancel your Contributory coverage, as allowed by the Employer.
- The last day you are in Active Employment.

We will pay benefits for a loss that occurs while you are covered under the Policy.

CONVERSION

You may convert your life insurance, without Evidence of Insurability, to an individual life insurance policy if any part of your life insurance under the Policy stops for one of the following reasons:

- Your coverage ends according to the TERMINATION OF COVERAGE provision other than your voluntary cancellation of your Contributory coverage.
- Any continuation of insurance under the Policy ends.
- Your coverage reduces due to BENEFIT REDUCTIONS as described on the SCHEDULE OF BENEFITS.
- Your coverage reduces due to your change from one eligible class to another.
- Your coverage reduces due to a Policy change.

Only life insurance is eligible for conversion. The maximum amount of life insurance you are eligible to convert cannot be greater than the amount of life insurance you had prior to termination. Conversion does not include any additional benefits such as accelerated death benefits, accidental death and dismemberment benefits, or waiver of premium benefits. Any amounts of coverage for which you remain eligible under the Policy are not eligible for conversion.

To convert your life insurance, you must apply and pay the first premium to us within 31 days of the date any part of your life insurance under the Policy terminates (the "conversion period"). You will be given Written notice, in person or at your last known address, of your conversion right at least 15 days before the date any part of your life insurance ends. Your right to convert will expire on the later of 16 days after you are given such notice or the end of the

conversion period, but in no event will your right to convert extend beyond 60 days after the expiration of the conversion period. Any extension of time allowed for returning the completed application and first premium will not change the length of the conversion period itself.

You may apply to convert the entire amount of life insurance that is terminating under the Policy, or a lesser amount. The maximum amount of life insurance coverage you are eligible to convert will be reduced by any amount of life insurance for which you become eligible under any group policy within 31 days after the beginning of the conversion period. Premiums for the conversion policy will be based on our rates then in use, the form and amount of insurance, your class of risk, and your attained age at the beginning of the conversion period. The conversion policy may be any individual life insurance policy then customarily offered by us for conversion, other than term insurance. The conversion policy will not include any additional benefits. When we accept your application and first premium, the conversion policy will become effective on the 32nd day after the date the life insurance under the Policy terminated.

During the conversion period, your life insurance will continue under the terms of the Policy. If you die within the conversion period, any life insurance amount that you were entitled to convert will be payable as a death benefit under the Policy and any premiums paid for conversion will be refunded to the Beneficiary.

If you have made an absolute assignment of your insurance, only the current owner may apply for conversion.

INCONTESTABILITY

Any statement made by you is considered a representation and not a warranty. We will not use such statement to avoid insurance, reduce benefits or defend a claim unless the statement is included in a Written statement of insurability which has been Signed by you and a copy of such statement of insurability has been given to you or to the Beneficiary. We will not use such statement relating to insurability to contest life insurance after it has been in force for two years during your lifetime. We will not use such statement to contest an increase or benefit addition to such insurance, after the increase or benefit has been in force for two years during your lifetime.

The statement on which any contest is based must be material to the risk accepted or the hazard assumed by us.

CLERICAL ERROR

Clerical error or omission by us or by the Policyholder will not:

- Prevent you from receiving coverage, if you are entitled to coverage under the terms of the Policy.
- Cause coverage to begin or continue for you when the coverage would not otherwise be effective.

If the Policyholder gives us information about you that is incorrect, we will do both of the following:

- Use the facts to decide whether you are eligible for coverage under the Policy and in what amounts.
- Make a fair adjustment of the Premium.

An error will not end insurance validly in effect, nor will it continue insurance validly ended.

ASSIGNMENT

You may make an absolute assignment of ownership of your insurance under the Policy to any person or entity by sending us Written notice on a form that we accept. An absolute assignment transfers all your duties, rights, title and interest under the Policy to the new owner. The new owner can make any changes allowed under the Policy and Certificate.

An absolute assignment form is available from the Employer or us. Any assignment form must be Signed by both the current owner and the new owner. The Signed form must be received and accepted by us in order to be valid. An accepted assignment will take effect on the date the form is Signed by you, unless otherwise specified in the Signed form. An assignment does not affect any payment we make or action we take before receiving the Signed form. An assignment does not change the insurance or the Beneficiary designation.

If you want to continue an absolute assignment made under the Employer's prior group life insurance policy, a statement of intent form is available from the Employer or us. The form must be Signed by both you and the assignee.

The Signed form must be received and accepted by us in order to be valid. A statement of intent does not affect any payment we make or action we take before receiving the Signed form. A statement of intent does not change the insurance or the Beneficiary designation.

We assume no responsibility for the validity of any assignment. You are responsible to see that the assignment is legal in your state and that it accomplishes the goals that you intend.

BENEFICIARY

The Beneficiary is named by you to receive any proceeds payable at your death. While your coverage is in force, you may change the Beneficiary designation by Written request on a form that is acceptable to us. A Beneficiary designation form is available from the Employer or us. An accepted designation will take effect as of the date it is Signed, unless you specify otherwise in the Signed designation, but will not affect any payment we make or action we take before receiving the Signed form. If you have made an absolute assignment of your insurance, only the current owner may change the Beneficiary designation.

If an irrevocable Beneficiary is named, the Beneficiary designation can only be changed with the consent of the irrevocable Beneficiary.

There can be one or more Beneficiaries. If two or more Beneficiaries are named and their shares are not specified in the Beneficiary designation, then the Beneficiaries will share any insurance proceeds equally. If a primary Beneficiary does not survive you, their share will be payable to the remaining primary Beneficiaries. One or more contingent Beneficiaries may be named to receive the proceeds in the event that all of the primary Beneficiaries named do not survive you.

Please refer to the LIFE INSURANCE BENEFITS section of the Certificate for information about payment.

AGENCY

For purposes of the Policy, the Policyholder acts on its own behalf or as your agent. Under no circumstances will the Policyholder be deemed our agent.

ENTIRE CONTRACT

Coverage for insured Employees is provided under a contract of group term insurance between us and the Policyholder. The entire contract consists of all of the following:

- The Policy issued to the Policyholder including Part A and Part B.
- The Certificates which are made part of Part B under the Policy.
- Any riders, endorsements and/or amendments issued.
- The Policyholder's Signed application, a copy of which is attached to the Policy when issued.

CHANGES TO POLICY OR CERTIFICATE

The terms and provisions of the Policy and this Certificate may be changed at any time by Written agreement between us and the Policyholder. We will issue riders, endorsements or amendments to effect such changes, and only those forms Signed by one of our executive officers will be valid. We will only make changes consistent with the standards of the applicable regulatory body in the governing jurisdiction. We will provide a copy of the rider, endorsement or amendment to the Policyholder for attachment to the Policy, and also for the Employees if the change affects the Certificate(s).

Riders, endorsements and amendments are subject to prior approval by the appropriate regulatory body in the governing jurisdiction. A rider, endorsement or amendment will not affect the insurance provided under the Certificate(s) until the effective date of the change, unless retroactivity is required by the applicable regulatory body.

No agent, representative or employee of ours or of any other entity, except one of our executive officers, may approve a change to or waive the terms of the Policy.

LIFE INSURANCE BENEFITS

We pay a death benefit to the Beneficiary if we receive Written proof that you died while your insurance under the Policy is in force. The death benefit is the amount of life insurance for your class as shown on the SCHEDULE OF BENEFITS in effect on the date of your death minus any amount paid under the Accelerated Death Benefit Rider.

NOTICE OF CLAIM AND PROOF OF LOSS

A claim form is available from the Employer or us. The process for completing the claim form and submitting the claim form will be explained in the claim form paperwork. Proof of loss, including any attachments indicated on the claim form as required, should be sent directly to us at the address indicated on the form. We may also require information from the Employer in order to verify eligibility.

Proof of loss consists of a certified copy of your death certificate or other lawful evidence providing equivalent information, and proof of the claimant's interest in the proceeds.

We will review the claim and proof of loss we receive in order to determine our liability and the correct payee(s). If we approve the claim, we will pay the benefits subject to the terms of this Certificate.

AUTOPSY

We reserve the right to make a reasonable request for an autopsy at our expense where permitted by law.

PAYMENT OF PROCEEDS

To be eligible to receive proceeds, the Beneficiary must be living on the date of your death.

If there is no eligible Beneficiary, we will pay the proceeds to the first survivor(s), who is living on the date of your death, in the following order:

1. Your spouse.
2. Your natural and adopted children.
3. Your parents.
4. Your estate.

If the Beneficiary or survivor is eligible to receive proceeds but dies before receiving them, we will pay the proceeds to that person's estate.

"Spouse" means your lawful spouse.

We will pay the death benefit to the Beneficiary in one sum or in a method comparable to one sum. Other methods of payment may be made available to the Beneficiary at the time of claim.

Any payment we make in good faith will discharge our liability to the extent of such payment.

PAYMENT OF INTEREST

We pay interest on the death benefit proceeds, accruing from the date of your death up to the date of payment. The minimum interest rate payable will be the interest rate applicable for funds left on deposit with us as of the date of death.

Interest will accrue at an annual rate of 10% plus the interest rate applicable for funds left on deposit beginning with the date that is 31 calendar days from the latest of the dates below and continuing up to the date of payment:

- The date we receive due proof of loss following death.
- The date we receive sufficient information to determine our liability, the extent of our liability, and the appropriate payee legally entitled to the proceeds.
- The date that legal impediments to payment of proceeds that depend on the action of parties other than us are resolved and sufficient evidence of this resolution is provided to us. Legal impediments to payment include: the establishment of guardianships and conservatorships; the appointment and qualification of trustees, executors and administrators; and the submission of information required to satisfy state or federal reporting requirements.

LEGAL ACTION

Legal action regarding any claim under the Policy may not be taken after 5 years from the time proof of loss must be submitted. Nothing in this provision waives, extends or tolls any applicable statute of limitations governing any claim relating in any way to your coverage.

DENIALS AND APPEALS FOR PLANS SUBJECT TO THE EMPLOYEE RETIREMENT INCOME SECURITY ACT OF 1974 (ERISA)

If we deny a claim in whole or in part (an "adverse benefit determination"), we will provide Written notice of the adverse benefit determination to the claimant as soon as possible, but no more than 90 days after receipt of the claim unless an extension is needed. An extension of 90 days will be allowed for processing the claim if special circumstances are involved. The claimant will be given notice of any such extension before the end of the initial 90-day period. The notice will state the special circumstances involved and the date a decision is expected. If an extension is needed due to the claimant's failure to submit information necessary to decide a claim, the extension period will be tolled from the date on which notification of the extension is sent to the claimant until the date on which the claimant responds to the request for additional information.

A notice of an adverse benefit determination will be Written in an understandable manner and include the following:

- The specific reason(s) for the adverse benefit determination.
- Reference to the specific provision on which the determination is based.
- A description of additional information, if any, which would enable a claimant to receive the benefits sought and an explanation of why it is needed.
- A description of the claim review procedure and the time limits applicable to such procedures, including a statement of the claimant's right to bring a civil action following an adverse benefit determination on review.

The claimant may request a review of an adverse benefit determination (an "appeal") at any time during the 60 day period following receipt of the notice of the determination. We will consider an appeal upon Written application of the claimant or his or her duly authorized representative. As part of the appeal the claimant also has the right, upon request and free of charge, to reasonable access to and copies of all documents, records and other information relevant to the claimant's claim for benefits. The claimant may, in the course of this appeal, review relevant documents and submit to us Written comments, documents, records and other information relevant to the claimant's claim for benefits.

Following our review of the appeal, we will provide the claimant with a Written decision of the final determination of the claim. This decision will be issued as soon as possible, but no more than 60 days after the receipt of the appeal unless an extension is needed. An extension of 60 days will be allowed for making this decision if special circumstances are present. The claimant will be given notice of any such extension before the end of the 60-day period. The notice will state the special circumstances involved and the date a decision is expected. If an extension is needed due to the claimant's failure to submit information necessary to decide a claim, the extension period will be tolled from the date on which notification of the extension is sent to the claimant until the date on which the claimant responds to the request for additional information.

If we send an adverse benefit determination following our review of the appeal, the notice of the determination will be Written in an understandable manner and include the following:

- The specific reason(s) for the adverse benefit determination.
- Reference to the specific provision on which the determination is based.
- A statement that the claimant is entitled to receive, upon request and free of charge, reasonable access to, and copies of, all documents, records and other information relevant to the claimant's claim for benefits.
- A statement of the claimant's right to bring a civil action.

When you request proceeds under this rider, you will be provided with a disclosure demonstrating the effect of the acceleration on the death benefit and Premium, and any other effects on coverage.

BENEFIT PAYMENT

Monthly installments are paid once every 30 days until the full accelerated benefit amount has been paid out. Each monthly installment paid will reduce the remaining death benefit by the same amount.

Any payment we make in good faith will discharge our liability to the extent of such payment.

If you die after you request proceeds under this rider but before any proceeds are received, then the accelerated death benefit claim will be cancelled and any death benefit will be payable under the terms of the Certificate and riders. If any monthly installments are remaining at the time of death, the remaining amount will be payable as a death benefit under the terms of the Certificate and riders.

EFFECTS ON COVERAGE

When we pay this benefit, coverage is affected in the following ways:

- Your Basic Life Insurance amount is reduced by the accelerated death benefit proceeds paid under this rider.
- Your life insurance amount that may be converted is reduced by the accelerated death benefit proceeds paid under this rider.
- You will not be eligible to increase your Contributory life insurance amount.
- Premium is reduced based upon the remaining life insurance amount. Such Premium must be paid, to keep the life insurance coverage in force.
- Your remaining life insurance amount is subject to future BENEFIT REDUCTIONS, if any, as shown on the SCHEDULE OF BENEFITS in the Certificate or riders.
- You will not be able to reinstate your coverage to its full amount in the event of a recovery from a Qualifying Event.

If any death benefit remains after payment of the accelerated death benefit, coverage under the AD&D Rider will be unaffected by the payment of an accelerated death benefit.

Leave of Absence means you are absent from Active Employment for a period of time under a leave granted in writing by the Employer that is in accordance with the Employer's formal leave policies. Your normal vacation time is not considered a Leave of Absence.

Total Disability or **Totally Disabled** means that due to an injury or sickness you are unable to perform the material duties of your regular job, and you are unable to perform any other job for which you are fit by education, training or experience.

GENERAL PROVISIONS

ELIGIBILITY FOR RIDER

If you are covered under the Policy, then you are eligible for this rider on the latest of the following:

- The Policy effective date.
- The date this rider is available to the eligible class of Employees to which you belong.
- Your life insurance coverage effective date.

EFFECTIVE DATE OF RIDER

You will be covered at 12:01 a.m. standard time at the Policyholder's address on the date you are eligible for this rider.

CHANGE OF INSURANCE CARRIERS

The CHANGE OF INSURANCE CARRIERS provision in the Certificate is revised to include an Employee whose coverage was being continued under a similar continuation provision of the Employer's prior policy on the date the Employer changes insurance carriers to our Policy.

TERMINATION OF RIDER

This rider terminates on the earliest of the following:

- The date your life insurance terminates.
- The date this rider is terminated for all Employees under the Policy.

- The date this rider is terminated for the eligible class of Employees to which you belong.

CONTINUATION OF INSURANCE

If you stop Active Employment due to:

- Employer-approved Leave of Absence, or
- Total Disability,

then life insurance coverage may be continued under the Policy beyond the date you are no longer in Active Employment, limited to the time period(s) described below.

During this continued coverage period, the amount of continued insurance equals the amount in effect the day prior to the continuation period. That amount will reduce or stop according to the Certificate and riders in effect the day prior to the continuation period.

Premiums are due during the continuation period on the same basis as on the day prior to the continuation period. Contact the Employer for more information.

If an eligible claim occurs while coverage is being continued under this rider, then benefits will be paid as described in the Certificate and riders.

FAMILY AND MEDICAL LEAVE

If you are on a Leave of Absence as described under the Family and Medical Leave Act of 1993 and any amendments ("FMLA") or applicable state family and medical leave law ("State FML"), and the Employer's human resource policy provides for continuation of life insurance during an FMLA or State FML Leave of Absence, then your coverage may be continued until the end of the later of:

- The leave period permitted by FMLA.
- The leave period permitted by state FML.

This continuation of coverage includes all riders that were in effect on the date before the FMLA or State FML Leave of Absence began.

SICKNESS OR INJURY

If you are on a Leave of Absence due to your sickness or injury, including Total Disability, then your coverage may be continued until the last day of the month which is on or next follows the date which is 3 months after the date you stopped Active Employment.

This continuation of coverage includes all riders that were in effect on the date before the Leave of Absence began.

If the group Policy terminates while your coverage is being continued under this provision due to Total Disability, we will pay the Employee life insurance benefit to the Beneficiary if all of the following conditions are met:

- You have not converted your life insurance coverage to an individual policy.
- We receive Written notice and proof of your Total Disability within 60 days after the group Policy terminates.
- You continue to be Totally Disabled until your death.
- You die, from any cause, within 12 months of the date your Total Disability began.

MILITARY LEAVE

If you are on a Leave of Absence for active military service as described under the Uniformed Services Employment and Reemployment Rights Act of 1994 ("USERRA") and applicable state law, then your coverage may be continued until the last day of the month which is on or next follows the date which is 3 months after the date you stopped Active Employment.

This continuation of coverage includes all riders that in effect on the date before the Leave of Absence began.

OTHER LEAVE OF ABSENCE

If you are on a Leave of Absence for any other reason, then your coverage may be continued until the last day of the month which is on or next follows the date which is 1 month after the date you stopped Active Employment.

This continuation of coverage includes all riders that were in effect on the date before the Leave of Absence began.

CONCURRENT LEAVES OF ABSENCE

If you would be eligible for more than one type of continuation under this rider during any one period that you are not in Active Employment, we will consider such periods to be concurrent for the purpose of determining how long your coverage may continue under the Policy.

TERMINATION OF CONTINUATION

Coverage continued under this rider will end on the earliest of the following:

- The end of the continuation period as indicated above.
- The end of the period for which Premiums are paid if the next Premium is not paid by its due date, subject to the grace period.
- The date you are eligible under the Policy as an Active Employee.
- The date of your death.
- The date you become covered under another group life insurance policy as an employee or member.
- The date the Policy terminates, except as described for Total Disability.
- The date coverage for all Active Employees under the Policy terminates.

In no event will coverage for you be continued beyond the date coverage would otherwise end according to the termination provision(s) of the Certificate and riders except as described for Total Disability.

When this continuation ends, insurance under the Policy will stay in force only if all of the following conditions are met:

- Life insurance is in force for Active Employees under the Policy, and
- You are in an eligible class for coverage under the Policy, and
- Your Premium payments are resumed.

The amount of insurance will be subject to the Certificate and riders in effect on the date your Premium payments are resumed.

CONVERSION FOLLOWING TERMINATION OF CONTINUATION

When continuation under this rider ends other than for nonpayment of Premium, and if you are not otherwise eligible for insurance under the Policy, then conversion of life insurance will be available as described in the CONVERSION provision of the Certificate and riders.

RETURN TO ACTIVE EMPLOYMENT

If coverage is not continued during any period that is eligible for continuation under the Policy, and you return to Active Employment while coverage is in force for Active Employees under the Policy, then the terms of the Certificate and riders will apply.

DENIALS AND APPEALS FOR PLANS SUBJECT TO THE EMPLOYEE RETIREMENT INCOME SECURITY ACT OF 1974 (ERISA) – FOR TOTAL DISABILITY CLAIMS ONLY

If we deny a claim in whole or in part (an “adverse benefit determination”), we will provide written notice of the adverse benefit determination to you as soon as possible, but no more than 45 days after receipt of the claim unless an extension is needed. An extension of 30 days will be allowed for processing the claim for matters beyond our control. You will be given notice of any such extension before the end of the initial 45-day period. If, before the end of the 30-day extension period, we are still unable to render a decision on the claim for matters beyond our control, a second extension of 30 days will be allowed for processing the claim. You will be given notice of any such second extension before the end of the first 30-day extension period. The notice(s) will state the circumstances requiring the extension and the date a decision is expected. The notice(s) will also specifically explain the standards on which entitlement to a benefit is based, the unresolved issues that prevent a decision on the claim and the additional information needed to resolve those issues. If additional information is needed, you will have 45 days to provide the specified information. If an extension is needed due to your failure to submit information necessary to decide a claim, the extension period will be tolled from the date on which notification of the extension is sent to you until the date on which you respond to the request for additional information.

A notice of an adverse benefit determination will be written in an understandable manner and include the following:

- The specific reason(s) for the adverse benefit determination.
- Reference to the specific provision on which the determination is based.
- A description of additional information, if any, which would enable you to receive the benefits sought and an explanation of why it is needed.
- A description and a copy of relevant claim review procedures and the time limits applicable to such procedures, including a statement of your right to bring a civil action following an adverse benefit determination on review.
- A statement that if an internal rule, guideline, protocol or other similar criterion was relied upon in making the adverse benefit determination, a copy of such rule, guideline, protocol or other criterion will be provided free of charge to you upon request.

You may request a review of an adverse benefit determination (an “appeal”) at any time during the 180 day period following receipt of the notice of the determination. We will consider an appeal upon written application of you or your duly authorized representative. As part of the appeal you also have the right, upon request and free of charge, to reasonable access to and copies of all documents, records and other information relevant to your claim. This includes the identification of any medical or vocational experts whose advice was obtained on our behalf in connection with the adverse benefit determination, without regard to whether the advice was relied upon in making the benefit determination. You may, in the course of this appeal, review relevant documents and submit to us written comments, documents, records and other information relevant to your claim.

Our review of the appeal will be conducted by someone who is neither the individual who made the original adverse benefit determination that is the subject of the appeal, nor the subordinate of such individual. If the determination was based in whole or in part on a medical judgment, our review of the appeal will include consultation with a health care professional who has appropriate training and experience in the field of medicine involved in the medical judgment. This health care professional will be someone who is neither an individual who was consulted in connection with the original adverse benefit determination that is the subject of the appeal, nor the subordinate of such individual.

Prior to rendering an adverse decision on appeal, we will provide notice to you of any new or additional evidence considered, relied upon, or generated by the plan, insurers or other persons making the benefit determination. We will also notify you if we have new or additional rationale for an adverse appeal determination. We will then provide you with a reasonable opportunity to review and respond to this new information before making our decision. The time period we have to make our determination will be tolled while we are waiting for your response.

Following our review of the appeal, we will provide you with a written decision of the final determination of the claim. This decision will be issued as soon as possible, but no more than 45 days after the receipt of the appeal unless an extension is needed. An extension of 45 days will be allowed for making this decision if special circumstances are present. You will be given notice of any such extension before the end of the 45-day period. The notice will state the special circumstances involved and the date a decision is expected. If an extension is needed due to your failure to submit information necessary to decide a claim, the extension period will be tolled from the date on which notification of the extension is sent to you until the date on which you respond to the request for additional information.

If we send an adverse benefit determination following our review of the appeal, the notice of the determination will be written in an understandable manner and include the following:

- The specific reason(s) for the adverse benefit determination.
- Reference to the specific provision on which the determination is based.
- A statement that you are entitled to receive, upon request and free of charge, reasonable access to, and copies of, all documents, records and other information relevant to your claim.
- A statement of your right to bring a civil action and any contractual statute of limitations period, including the specific calendar date on which such limitations period will expire.
- If an internal rule, guideline, protocol or other similar criterion was relied upon in making the adverse benefit determination, then a copy of any such rule, guideline, protocol or other criterion will be provided free of charge.
- The following statement: “You and your plan may have other voluntary alternative dispute resolution options, such as mediation. One way to find out what may be available is to contact your local U.S. Department of Labor Office and your State insurance regulatory agency.”

DEFINITIONS

Doctor means a person who is licensed to practice medicine in the state in which treatment is received and providing treatment or advice in accordance with the license. State law may require consideration of professional services of a practitioner other than a medical physician. If so, then this definition includes persons recognized as qualified to treat the condition for which claim is made by the state in which treatment is received. This definition does not include you or your spouse, or your or your spouse's children, parents, grandparents, grandchildren, siblings and their spouses.

Total Disability or **Totally Disabled** means that due to an injury or sickness you are unable to perform the material duties of your regular job, and you are unable to perform any other job for which you are fit by education, training or experience.

GENERAL PROVISIONS

ELIGIBILITY FOR RIDER

If you are covered under the Policy, then you are eligible for this rider on the latest of the following:

- The Policy effective date.
- The date this rider is available to the eligible class of Employees to which you belong.
- Your life insurance coverage effective date.

EFFECTIVE DATE OF RIDER

You will be covered at 12:01 a.m. standard time at the Policyholder's address on the date you are eligible for this rider.

CHANGE OF INSURANCE CARRIERS

The CHANGE OF INSURANCE CARRIERS provision in the Certificate is revised to include an Employee whose coverage was being continued under a similar total disability continuation provision of the Employer's prior policy on the date the Employer changes insurance carriers to our Policy.

TERMINATION OF RIDER

This rider terminates on the date your life insurance terminates.

TOTAL DISABILITY CONTINUATION

If life insurance for you would otherwise end because you are no longer in Active Employment due to Total Disability, and your continuation of insurance under any other rider has ended, then life insurance coverage for you may be continued under the Policy for a limited period of time. During this continued coverage period, the amount of continued life insurance equals the amount that would have been provided if you had not become Totally Disabled. That amount will reduce or stop according to the Certificate and riders in effect on the date Total Disability began. Premiums are due during the continuation period on the same basis as on the date before Total Disability began.

Continued life insurance includes the following if effective on the date before your Total Disability began:

- Employee life insurance.
- your coverage under the Accelerated Death Benefit Rider.
- your coverage under the AD&D Rider.

Continued life insurance does not include:

- the Portability Rider.
- any other continuation rider(s).

Any rider or coverage that is not eligible for continuation under this rider will terminate on the date that coverage would otherwise end due to your termination of Active Employment. See the CONVERSION provision of the Certificate and riders for more information about conversion.

Continued insurance is subject to all other terms of the Policy.

CONDITIONS FOR TOTAL DISABILITY CONTINUATION

All of the following conditions must be met in order to continue coverage under this rider:

- You are covered under this rider on the date your Total Disability begins.
- You are continuously Totally Disabled for the entire period your coverage is in force during the continuation period of any rider.
- All Premiums due for life insurance and this rider are paid to us through the date we approve your claim under this rider.

NOTICE OF CLAIM AND PROOF OF TOTAL DISABILITY

We must accept your proof of Total Disability in order for this rider to apply. You may request a claim form from the Employer or us in order to submit your proof of Total Disability to us. Proof of your Total Disability includes information from your Doctor, at your expense, regarding your condition and your inability to work. We may require additional information from the Employer in order to verify eligibility. We may also require you to be interviewed by our authorized representative. Proof of your Total Disability, including any attachments indicated on the claim form(s) as required, should be sent directly to us at the address indicated on the form(s).

We have the right to request a second or third medical opinion, at our expense, in order to determine if you are Totally Disabled. Any second medical opinion may include a physical examination by a Doctor or other medical practitioner of our choice. In the case of conflicting medical opinions, Total Disability will be determined by a third medical opinion that is provided by a Doctor who is mutually acceptable to you and us.

We will notify the Employer if we approve your claim. We will notify you and the Employer if we deny your claim. If we deny your claim, conversion is available as described in the CONVERSION provision of the Certificate and riders.

If we approve your claim and you had previously converted coverage to an individual policy(ies) when your Active Employment terminated, then the individual policy(ies) must be surrendered without claim (other than refund of Premium) in order for coverage to be continued under this rider. The same coverage(s) that would otherwise end due to your termination of Active Employment may not be both continued under this rider and converted. The Beneficiary

for your coverage will be the most recent Beneficiary designated under either the group Policy or the individual conversion policy. See the Certificate and riders for more information about the Beneficiary.

After your claim is approved, we may periodically request additional proof of your continuing Total Disability, but not more frequently than once every six months.

If you die while the Policy is in force for Active Employees and all of the following are true:

- You didn't previously submit a claim under this rider, and
- You would otherwise have met the CONDITIONS FOR TOTAL DISABILITY CONTINUATION, and
- Life insurance for you would still have been in force under the Policy on the date of your death if a claim under this rider had been approved,

then the Beneficiary can submit a claim for death benefit proceeds along with proof that your Total Disability continued without interruption from the last day you were in Active Employment until your death. Any Premiums that would have been due for continued coverage must be paid.

TERMINATION OF TOTAL DISABILITY CONTINUATION

Continued coverage under this rider will stop on the earliest of the following dates:

- The date you are no longer Totally Disabled.
- The date you do not give us proof of Total Disability as requested.
- Your 65th birthday; however, the continuation period will not be less than 6 months while the Policy is in force for Active Employees.
- The end of the period for which Premiums are paid if the next Premium is not paid by its due date, subject to the grace period.
- The date the Policy terminates, except as provided in the EXTENSION AFTER POLICY TERMINATION provision.
- The date coverage for all Active Employees under the Policy terminates.

If coverage is no longer continued under this rider, insurance under the Policy will stay in force only if all of the following conditions are met:

- Life insurance is in force for Active Employees under the Policy, and
- You are in an eligible class for coverage under the Policy, and
- Your Premium payments are continued.

The amount of insurance will be subject to the Certificate [and riders] in effect on the date you become eligible as an Active Employee.

You will not be eligible for portability under the Portability Rider on the date continued coverage under this rider terminates.

CONVERSION FOLLOWING TERMINATION OF TOTAL DISABILITY CONTINUATION

When continued coverage under this rider ends other than for nonpayment of Premium, and if you are not otherwise eligible for insurance under the Policy, then conversion will be available as described in the CONVERSION provision of the Certificate and riders.

EXTENSION AFTER POLICY TERMINATION

If the group Policy terminates while your coverage is being continued due to Total Disability, we will pay the Employee life insurance benefit to the Beneficiary if all of the following conditions are met:

- You have not converted your life insurance coverage to an individual policy.
- You continue to be Totally Disabled until your death.
- You die, from any cause, within 12 months of the date your Total Disability began.

DENIALS AND APPEALS FOR PLANS SUBJECT TO THE EMPLOYEE RETIREMENT INCOME SECURITY ACT OF 1974 (ERISA)

If we deny a claim in whole or in part (an "adverse benefit determination"), we will provide written notice of the adverse benefit determination to you as soon as possible, but no more than 45 days after receipt of the claim unless an extension is needed. An extension of 30 days will be allowed for processing the claim for matters beyond our control. You will be given notice of any such extension before the end of the initial 45-day period. If, before the end of the 30-

day extension period, we are still unable to render a decision on the claim for matters beyond our control, a second extension of 30 days will be allowed for processing the claim. You will be given notice of any such second extension before the end of the first 30-day extension period. The notice(s) will state the circumstances requiring the extension and the date a decision is expected. The notice(s) will also specifically explain the standards on which entitlement to a benefit is based, the unresolved issues that prevent a decision on the claim and the additional information needed to resolve those issues. If additional information is needed, you will have 45 days to provide the specified information. If an extension is needed due to your failure to submit information necessary to decide a claim, the extension period will be tolled from the date on which notification of the extension is sent to you until the date on which you respond to the request for additional information.

A notice of an adverse benefit determination will be written in an understandable manner and include the following:

- The specific reason(s) for the adverse benefit determination.
- Reference to the specific provision on which the determination is based.
- A description of additional information, if any, which would enable you to receive the benefits sought and an explanation of why it is needed.
- A description and a copy of relevant claim review procedure and the time limits applicable to such procedures, including a statement of your right to bring a civil action following an adverse benefit determination on review.
- A statement that if an internal rule, guideline, protocol or other similar criterion was relied upon in making the adverse benefit determination, a copy of such rule, guideline, protocol or other criterion will be provided free of charge to you upon request.

You may request a review of an adverse benefit determination (an “appeal”) at any time during the 180 day period following receipt of the notice of the determination. We will consider an appeal upon written application of you or your duly authorized representative. As part of the appeal you also have the right, upon request and free of charge, to reasonable access to and copies of all documents, records and other information relevant to your claim. This includes the identification of any medical or vocational experts whose advice was obtained on our behalf in connection with the adverse benefit determination, without regard to whether the advice was relied upon in making the benefit determination. You may, in the course of this appeal, review relevant documents and submit to us written comments, documents, records and other information relevant to your claim.

Our review of the appeal will be conducted by someone who is neither the individual who made the original adverse benefit determination that is the subject of the appeal, nor the subordinate of such individual. If the determination was based in whole or in part on a medical judgment, our review of the appeal will include consultation with a health care professional who has appropriate training and experience in the field of medicine involved in the medical judgment. This health care professional will be someone who is neither an individual who was consulted in connection with the original adverse benefit determination that is the subject of the appeal, nor the subordinate of such individual.

Following our review of the appeal, we will provide you with a written decision of the final determination of the claim. This decision will be issued as soon as possible, but no more than 45 days after the receipt of the appeal unless an extension is needed. An extension of 45 days will be allowed for making this decision if special circumstances are present. You will be given notice of any such extension before the end of the 45-day period. The notice will state the special circumstances involved and the date a decision is expected. If an extension is needed due to your failure to submit information necessary to decide a claim, the extension period will be tolled from the date on which notification of the extension is sent to you until the date on which you respond to the request for additional information.

Prior to rendering an adverse decision on appeal, we will provide notice to you of any new or additional evidence considered, relied upon, or generated by the plan, insurers or other persons making the benefit determination. We will also notify you if we have new or additional rationale for an adverse appeal determination. We will then provide you with a reasonable opportunity to review and respond to this new information before making our decision. The time period we have to make our determination will be tolled while we are waiting for your response.

If we send an adverse benefit determination following our review of the appeal, the notice of the determination will be written in an understandable manner and include the following:

- The specific reason(s) for the adverse benefit determination.
- Reference to the specific provision on which the determination is based.
- A statement that you are entitled to receive, upon request and free of charge, reasonable access to, and copies of, all documents, records and other information relevant to your claim.

- A statement of your right to bring a civil action and any contractual statute of limitations period, including the specific calendar date on which such limitations period will expire.
- If an internal rule, guideline, protocol or other similar criterion was relied upon in making the adverse benefit determination, then a copy of any such rule, guideline, protocol or other criterion will be provided free of charge.
- The following statement: "You and your plan may have other voluntary alternative dispute resolution options, such as mediation. One way to find out what may be available is to contact your local U.S. Department of Labor Office and your State insurance regulatory agency."

If we accept your application for portability but decline any Evidence of Insurability, you may either pay the standard portability Premium rate or apply for conversion of life insurance within 31 days of the date we provide you written notice of conversion. See the CONVERSION provision of the Certificate and riders.

Your application for portability must be approved by us. When we approve your application, ported coverage under this rider will be effective on the day after the conversion period ends. Premiums under this rider will be billed directly to you on a quarterly basis. Each quarterly Premium due will include a billing fee as indicated on the portability application or subsequent notice. Continued Premium payment is required to keep coverage in force. The initial

Premium will be based on the portability Premium rates in effect at the time you apply for portability. We may change the portability Premium rates at any time upon 90 days written notice to you.

If you have made an absolute assignment of your insurance, only the current owner may apply for portability.

MISSTATEMENT OF EVIDENCE OF INSURABILITY FOR EMPLOYEE PORTABILITY

If your Premium rates are based on Evidence of Insurability as provided on your application for portability, and you have misstated any information requested on the application for portability such that the lower Premium rates would not have been approved by us, then we will adjust your Premium to the standard portability Premium rates. Any back Premium due as a result of this adjustment will be required. We will not adjust your Premium after coverage has been continued under this rider for two years during your lifetime.

GRACE PERIOD FOR EMPLOYEE PORTABILITY

You have a grace period of 31 days for the payment of any Premium due. During the grace period coverage will remain in force. If full Premium payment is not received by us by the due date, we will give written notification to you that if the Premium is not paid by the end of the grace period then all coverage will end on the last day of the grace period. If we fail to give such written notice, coverage will continue in effect until the date such notice is given. We may extend the grace period by giving written notice of such intent to you, and such notice will specify the date all coverage will terminate if the Premium remains unpaid. You are required to pay a pro rate Premium for any period coverage was in force during the grace period. Premium payment is required for any grace period, any extension of such period, and any period for which coverage was in effect and Premium was not paid.

TERMINATION OF EMPLOYEE PORTABILITY

Coverage continued under this provision will end on the earliest of the following:

- The end of the period for which Premiums are paid if the next Premium is not paid by its due date, subject to the grace period.
- The date you attain age 70.
- The date you die.

You may apply for conversion of any life insurance amount(s) that terminate when portability under this rider ends, other than for nonpayment of Premium or at your death. See the CONVERSION provision of the Certificate and riders.

Any unearned Premiums paid for ported coverage will be refunded.

GENERAL PROVISIONS

ELIGIBILITY

If you are working for the Employer in an eligible class (shown in the Certificate's SCHEDULE OF BENEFITS), you are eligible for this rider on the latest of the following dates:

- The Policy effective date.
- The date this rider is available to the eligible class of Employees to which you belong.
- Your life insurance coverage effective date.

ENROLLMENT

If you are eligible for AD&D coverage, you must enroll for Contributory AD&D coverage before Contributory coverage will become effective. We or the Employer will provide you with the forms or information needed to complete your enrollment.

No enrollment is required if the Policy replaces a group policy issued by us or by another insurance company, and you were covered under the prior policy on the day before that policy was replaced by our Policy. The amount of Contributory AD&D coverage that becomes effective on our Policy effective date will be at the same level as under the prior policy, subject to the terms of our Policy including any maximum coverage amounts under our Policy.

EFFECTIVE DATE

For Noncontributory coverage, each Covered Person will be covered at 12:01 a.m. standard time at the Policyholder's address on the date the Covered Person is eligible for coverage.

EFFECTIVE DATE OF CHANGES TO COVERAGE

Once AD&D coverage begins, any increased or additional coverage will take effect on the latest of the following:

- The date of the increased or additional coverage, if you are in Active Employment.
- The date you return to Active Employment, if you are not in Active Employment on the date the increased or additional coverage would otherwise start.

Any decrease in coverage other than benefit reductions noted on the SCHEDULE OF BENEFITS will take effect immediately but will not affect a payable claim that occurs prior to the decrease.

TERMINATION

This rider will terminate on the earliest of the following:

- The date your life insurance terminates.
- The date this rider is terminated for all Employees under the Policy.
- The date this rider is terminated for the eligible class of Employees to which you belong.

- The date you voluntarily cancel this rider in Writing, as allowed by the Employer unless prohibited by federal and state law.
- The date you retire from Active Employment with the Employer.

Termination will not prejudice the payment of benefits for a covered loss caused by an Accidental Injury that occurs while the Covered Person is insured under this rider.

CONVERSION

When coverage under this rider terminates, conversion of AD&D coverage to an individual policy is not available.

INCONTESTABILITY

Any statement made by you is considered a representation and not a warranty. We will not use such statement to contest insurance under this rider after it has been in force for two years during the Covered Person's lifetime. We will not use such statement to contest an increase or benefit addition to such insurance, after the increase or benefit has been in force for two years during the Covered Person's lifetime.

The statement on which any contest is based must be material to the risk accepted or the hazard assumed by us.

AD&D BENEFITS

We pay an AD&D benefit if we receive Written proof that a Covered Person suffered a covered loss (as described below) as the result of an Accidental Injury. The Covered Person must be insured under this rider on the date of the Accidental Injury, and the cause of the loss must not be excluded. The AD&D benefit is the amount for the eligible class and for the loss as shown on the SCHEDULE OF BENEFITS in effect on the date of the Accidental Injury.

If any benefit described below indicates that it is payable to you if living, and you are not the current owner of coverage under the Certificate on the date of the loss, then those benefit proceeds are payable to the current owner. See the Portability Rider for information about the eligible Beneficiary for continued coverage after your death or divorce.

Accidental Death

A benefit is payable to the Beneficiary if an Accidental Injury causes a Covered Person's death within 180 days of the Accidental Injury. See the Certificate for more information about the Beneficiary.

We will presume that the Covered Person died as a result of Accidental Injury if all of the following are true:

- The conveyance in which the Covered Person was traveling (including but not limited to an automobile, airplane, ship or train) disappears, sinks or is wrecked.
- The body of the Covered Person is not found.
- A reasonable period of time, but not more than 365 days has elapsed from the later of the date the conveyance was scheduled to arrive at its destination or the date the Covered Person was reported missing to the authorities.

If we pay an Accidental Death benefit due to the Covered Person's disappearance and it is later found that the Covered Person is alive, the benefits paid must be refunded to us.

Accidental Dismemberment

A benefit is payable if an Accidental Injury causes a Covered Person's loss of a covered limb or appendage within 180 days of the Accidental Injury. The types of and benefit amounts for covered Accidental Dismemberment losses are shown on the SCHEDULE OF BENEFITS. Accidental Dismemberment benefits are payable to you if living, otherwise to the Beneficiary.

If Accidental Injury causes more than one loss to the same covered limb or appendage, only the largest benefit for the loss will be payable.

Other Accidental Loss

A benefit is payable if an Accidental Injury causes a Covered Person's loss as described below. The benefit amounts for these covered losses are shown on the SCHEDULE OF BENEFITS. These benefits are payable to you if living, otherwise to the Beneficiary.

Loss of Sight: The Covered Person has a Loss of Sight in one or both eyes, and the Loss of Sight is continuous for 180 days following the date the Loss of Sight began. Loss of Sight must be diagnosed within 180 days of the Accidental Injury.

Additional Accident Benefits

The additional benefit amounts are shown on the SCHEDULE OF BENEFITS. These benefits are payable to you if living, otherwise to the Beneficiary.

Common Carrier: The Accidental Injury occurs while the Covered Person is traveling as a passenger in or on a public conveyance classified as a Common Carrier, including entering into or departing from the Common Carrier. A passenger does not include a person who is performing duties for the Common Carrier as part of their employment.

Safety Belt use: The Accidental Injury causing death occurs while the Covered Person is riding in an Automobile equipped with Safety Belts, and the Covered Person was wearing a properly fastened Safety Belt at the time of the Accidental Injury.

If the accident report or other accident records can't verify the Safety Belt use, and payment of this benefit would not otherwise be excluded, then a flat benefit amount of \$1,000 is payable.

This benefit is not payable if the death was caused or contributed to by any use of intoxicating liquors, marijuana, narcotic drugs, depressants or similar substances, whether or not prescribed by a Doctor, by the Covered Person or by the driver of the Automobile in which the Covered Person was riding.

Airbag use: The Accidental Injury causing death occurs while the Covered Person is riding in an Automobile equipped with an Airbag for the Covered Person's seat in which the Airbag for the Covered Person's seat operated properly upon impact at the time of the Accidental Injury. The Covered Person must also have been wearing a properly fastened Safety Belt at the time of the Accidental Injury.

If the accident report or other accident records can't verify the Airbag use, and payment of this benefit would not otherwise be excluded, then a flat benefit amount of \$1,000 is payable.

This benefit is not payable if the death was caused or contributed to by any use of intoxicating liquors, marijuana, narcotic drugs, depressants or similar substances, whether or not prescribed by a Doctor, by the Covered Person or by the driver of the Automobile in which the Covered Person was riding.

Transportation/Repatriation: The Covered Person's accidental death occurs at least 100 miles from the Covered Person's primary residence.

Child Care: Your dependent child under age 13 is enrolled in Child Care within 31 days of the date of your death for which a benefit is payable under this rider. The Beneficiary must provide proof annually that your child remains eligible. Benefits will stop when your child is no longer eligible.

If you do not have an eligible dependent child, a flat benefit amount of \$1,000 is payable.

Child education: Your dependent child is enrolled as a full-time student in an accredited post-secondary institution of higher learning beyond grade 12 within 365 days following the date of your death for which a benefit is payable under this rider. To be considered full-time, your child's full-time school attendance must be 6 months or more in

each annual period following enrollment. Benefits are payable at the end of each annual period following enrollment. The Beneficiary must provide proof annually that your child remains eligible. Benefits will stop when your child is no longer eligible.

A dependent child for this benefit means your unmarried child less than age 26 who is supported by you financially, whether in whole or in part.

If you do not have an eligible dependent child, a flat benefit amount of \$1,000 is payable.

Spouse education: Your spouse is enrolled as a full-time student in an accredited post-secondary institution of higher learning beyond grade 12 within 365 days following the date of your death for which a benefit is payable under this rider. To be considered full-time, your spouse's full-time school attendance must be 6 months or more in each annual period following enrollment. Benefits are payable at the end of each annual period following enrollment. The Beneficiary must provide proof annually that your spouse remains eligible. Benefits will stop when your spouse is no longer eligible.

A spouse for this benefit means your lawful spouse.

If you do not have an eligible spouse, a flat benefit amount of \$1,000 is payable.

Occupational assault: Your loss for which a benefit is payable under this rider is the result of an intentional and unlawful act of physical violence directed at you by another person while you were performing assigned duties of your employment with the Employer. A report of criminal activity must be filed by you or on your behalf with the appropriate law enforcement authority within 48 hours of the assault. If an occupational assault benefit and a felonious assault benefit would be otherwise payable for the same loss, then only the larger of the benefits will be payable.

Felonious assault: Your loss for which a benefit is payable under this rider is the result of a violent or criminal act directed at you by another person during the course of or attempt at robbery or hold-up, or a kidnapping involving Policyholder funds. If a felonious assault benefit and an occupational assault benefit would be otherwise payable for the same loss, then only the larger of the benefits will be payable.

NOTICE OF CLAIM AND PROOF OF LOSS

You or the Beneficiary must send us Written notice of claim within 90 days after the date of loss. Failure to give notice within 90 days will not invalidate or reduce any claim if it is shown not to have been reasonably possible to give such notice and that notice was given as soon as was reasonably possible.

Notice of claim includes proof of loss. Proof of loss for a death claim consists of a certified copy of the Covered Person's death certificate or other lawful evidence providing equivalent information, and proof of the claimant's interest in the proceeds. Proof of loss for any other claim consists of information from the Covered Person's Doctor, at your expense, regarding the Covered Person's loss that is covered under this rider. We may require additional information from the Employer in order to verify eligibility. Proof of loss, including any attachments indicated on the claim form(s) as required, should be sent directly to us at the address indicated on the form(s). A claim form is available from the Employer or us.

We will review proof of loss we receive in order to determine our liability and the correct payee(s).

PHYSICAL EXAMINATION

We may require the Covered Person to be examined, at our expense, by one or more Doctors or other medical practitioners of our choice. We can require an examination as often as it is reasonable to do so for the duration of a claim.

PAYMENT OF PROCEEDS

If the Beneficiary is not living on the date payment is made, benefits are payable to the Beneficiary's estate.

We will pay the death benefit to the Beneficiary in one sum or in a method comparable to one sum. Other methods of payment may be made available to the Beneficiary at the time of claim.

Any payment we make in good faith will discharge our liability to the extent of such payment.

NOTICE OF PROTECTION PROVIDED BY CALIFORNIA LIFE AND HEALTH INSURANCE GUARANTEE ASSOCIATION

This notice provides a brief summary regarding the protections provided to policyholders by the California Life and Health Insurance Guarantee Association (“the Association”). The purpose of the Association is to assure that policyholders will be protected, within certain limits, in the unlikely event that a member insurer of the Association becomes financially unable to meet its obligations. Insurance companies licensed in California to sell life insurance, health insurance, annuities and structured settlement annuities are members of the Association. The protection provided by the Association is not unlimited and is not a substitute for consumers’ care in selecting insurers. This protection was created under California law, which determines who and what is covered and the amounts of coverage.

Below is a brief summary of the coverages, exclusions and limits provided by the Association. This summary does not cover all provisions of the law; nor does it in any way change anyone’s rights or obligations or the rights or obligations of the Association.

COVERAGE

- **Persons Covered**

Generally, an individual is covered by the Association if the insurer was a member of the Association *and* the individual lives in California at the time the insurer is determined by a court to be insolvent. Coverage is also provided to policy beneficiaries, payees or assignees, whether or not they live in California.

- **Amounts of Coverage**

The basic coverage protections provided by the Association are as follows.

- **Life Insurance, Annuities and Structured Settlement Annuities**

For life insurance policies, annuities and structured settlement annuities, the Association will provide the following:

- **Life Insurance**
 - 80% of death benefits but not to exceed \$300,000
 - 80% of cash surrender or withdrawal values but not to exceed \$100,000
- **Annuities and Structured Settlement Annuities**
 - 80% of the present value of annuity benefits, including net cash withdrawal and net cash surrender values but not to exceed \$250,000

The maximum amount of protection provided by the Association to an individual, for *all* life insurance, annuities and structured settlement annuities is \$300,000, regardless of the number of policies or contracts covering the individual.

- **Health Insurance**

The maximum amount of protection provided by the Association to an individual, as of July 1, 2016, is \$546,741. This amount will increase or decrease based upon changes in the health care cost component of the consumer price index to the date on which an insurer becomes an insolvent insurer. Changes to this amount will be posted on the Association’s website www.califega.org.

COVERAGE LIMITATIONS AND EXCLUSIONS FROM COVERAGE

The Association may not provide coverage for this policy. Coverage by the Association generally requires residency in California. You should not rely on coverage by the Association in selecting an insurance company or in selecting an insurance policy.

The following policies and persons are among those that are excluded from Association coverage:

- A policy or contract issued by an insurer that was not authorized to do business in California when it issued the policy or contract
- A policy issued by a health care service plan (HMO), a hospital or medical service organization, a charitable organization, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company, an insurance exchange, or a grants and annuities society
- If the person is provided coverage by the guaranty association of another state.
- Unallocated annuity contracts; that is, contracts which are not issued to and owned by an individual and which do not guaranty annuity benefits to an individual
- Employer and association plans, to the extent they are self-funded or uninsured
- A policy or contract providing any health care benefits under Medicare Part C or Part D
- An annuity issued by an organization that is only licensed to issue charitable gift annuities
- Any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk, such as certain investment elements of a variable life insurance policy or a variable annuity contract
- Any policy of reinsurance unless an assumption certificate was issued
- Interest rate yields (including implied yields) that exceed limits that are specified in Insurance Code Section 1607.02(b)(2)(C).

NOTICES

Insurance companies or their agents are required by law to give or send you this notice. Policyholders with additional questions should first contact their insurer or agent. To learn more about coverages provided by the Association, please visit the Association's website at www.califega.org, or contact either of the following:

This notice provides a **brief summary** regarding the protections provided to the policyholders by the Pennsylvania Life and Health Insurance Guaranty Association (“the Association”). This protection was created under Pennsylvania law, which determines who and what is covered and the amounts of coverage.

The Association was established to provide protection in the unlikely event that your member life, annuity, or health insurance company, RANLI PPO, hospital plan corporation, professional health services plan corporation or health maintenance organization (member insurer) becomes financially unable to meet its obligations. If this should happen, the Association will typically arrange to provide coverage, pay claims, or otherwise provide protection in accordance with Pennsylvania law. The protection provided by the Association is not unlimited and is not a substitute for consumers’ care in selecting companies that are well managed and financially stable.

Below is a brief summary of the coverages, exclusions and limits provided by the Association. This summary does not cover all provisions of the law; nor does it in any way change anyone’s rights or obligations or the rights or obligations of the Association.

COVERAGE

Persons Covered

Generally, individuals will be protected by the Association if the member insurer was a member of the Association and the individual lives in Pennsylvania at the time the member insurer is determined by a court to be insolvent. Coverage is also provided to policy beneficiaries, payees or assignees of such individuals.

Amounts of Coverage

The basic coverage protections provided by the Association per insured in each insolvency are limited in the aggregate to \$300,000 (or \$500,000 in the case of health benefit plans), including specific limits for the following types of coverage but not in excess of the contractual obligations of the member insurer;

Life insurance:

- Up to \$300,000 in death benefits including up to \$100,000 in net cash surrender or withdrawal value.

Accident, accident and health, or health insurance (including HMOs):

- Up to \$500,000 for health benefit plans, with some exceptions.
- Up to \$300,000 for disability income benefits.
- Up to \$300,000 for long-term care insurance benefits.
- Up to \$100,000 for all other types of health insurance.

Individual Annuities

- Up to \$250,000 in the present value of benefits, including cash surrender and net cash withdrawal values.

LIMITATIONS AND EXCLUSIONS FROM COVERAGE

The Association also does not provide coverage for:

- any policy or contract or portion of a policy or contract which is not guaranteed by the member insurer or for which the individual has assumed the risk, such as a variable contract sold by prospectus;

- claims based on marketing materials or other documents which are not approved policy or contract forms, claims based on misrepresentations of policy or contract benefits, and other extra-contractual claims;
- any policy of reinsurance (unless an assumption certificate was issued);
- interest rate yields or increases based on an index that exceed an average rate specified by statute;
- dividends, experience rating credits, or credits given in connection with the administration of a policy or contract by a group contract holder;
- employers' plans that are self-funded (that is, not insured by member insurer, even if member insurer administers them);
- unallocated annuity contracts (which give rights to group contract holders, not individuals) other than in limited circumstances and amounts;
- certain contracts which establish benefits by reference to a portfolio of assets not owned by the member insurer; or
- policies providing health care benefits for Medicare Parts C or D coverage, for Medicaid or under the Pennsylvania program for Comprehensive Health Care for Uninsured Children.

The following policies and persons are among those that are excluded from Association coverage:

- A policy or contract issued by an insurer that was not authorized to do business in Pennsylvania when it issued the policy or contract.
- If the person is provided coverage by the guaranty association of another state.
- A policy issued by a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company or similar plan in which the policyholder is subject to future assessments, or by an insurance exchange.

- 2) ReliaStar Life Insurance Company (ReliaStar Life) will process the claim and make payment or issue a denial notice.
- 3) Written notice of denial of a claim will be furnished to the claimant within 90 days after receipt of the claim. An extension of 90 days will be allowed for processing the claim if special circumstances are involved. The claimant will be given notice of any such extension. The notice will state the special circumstances involved and the date a decision is expected.
- 4) The notice of denial will be written in an understandable manner and include the following:
 - a. The specific reason(s) for the denial.
 - b. Specific reference to the provision which forms the basis of the denial.
 - c. A description of additional information, if any, which would enable a claimant to receive the benefits sought and an explanation of why it is needed.
 - d. An explanation of the claim review procedure, including the time limits applicable to such procedures and notice of the claimant's right to bring a civil action pursuant to Section 502(a) of ERISA following an adverse decision on appeal.
- 5) The claimant may request an appeal at any time during the 60-day period following receipt of the notice of denial of the claim.

The claimant may, in the course of this appeal, submit to ReliaStar Life written comments, documents, records, and other information relating to the claim. ReliaStar Life will provide a full and fair review that takes into account all comments, documents, records and other information submitted by the claimant without regard to whether such information was submitted or considered in the initial benefit determination. Review of claim denials and final decisions on appeal are the responsibility of ReliaStar Life.

SUMMARY PLAN DESCRIPTION

STATEMENT OF ERISA RIGHTS

As a participant in the Plan you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA). ERISA provides that all plan participants shall be entitled to:

Receive Information About Your Plan and Benefits

Examine, without charge, at the Plan Administrator's office and at other specified locations, such as worksites and union halls, all documents governing the Plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the Plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.

Obtain, upon written request to the Plan Administrator, copies of documents governing the operation of the Plan, including insurance contracts and collective bargaining agreements, and copies of the latest annual report (Form 5500 Series) and updated Summary Plan Description. The administrator may make a reasonable charge for the copies.

Receive a summary of the Plan's annual financial report. The Plan Administrator is required by law to furnish each participant with a copy of this summary annual report.

Prudent Actions by Plan Fiduciaries

In addition to creating rights for plan participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate your Plan, called "fiduciaries" of the Plan, have a duty to do so prudently and in the interest of you and other plan participants and beneficiaries. No one, including your employer, your union, or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a benefit or exercising your rights under ERISA.

Enforce Your Rights

If your claim for a benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of plan documents or the latest annual report from the Plan and do not receive them within 30 days, you may file suit in a Federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay you up to \$110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or Federal court. In addition, if you disagree with the Plan's decision or lack thereof concerning the qualified status of a domestic relations order or a medical child support order, you may file suit in Federal court. If it should happen that Plan fiduciaries misuse the Plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds your claim is frivolous.

Assistance with Your Questions

If you have any questions about your Plan, you should contact the Plan Administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the Plan Administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor, listed in your telephone directory or the Office of Participant Assistance, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.
