LOCATION

IN THE HEART OF NORTHERN MONTENEGRO

Surrounded by untouched alpine nature and framed by the breathtaking Bjelasica Mountain, Swissôtel Resort Kolašin is located in the country's first ski-in/ski-out resort—Kolašin Valleys.

Just 12 km from the town of Kolašin and 90 minutes from Podgorica Airport, the hotel offers direct access to the Kolašin 1600 ski slopes and a year-round escape into nature.

Whether you're here for winter adventure, spring hiking, or summer serenity, this prime location is your gateway to Montenegro's northern highlands. Within reach are UNESCO-protected national parks, glacial lakes, traditional katun villages, and the dramatic Tara River Canyon—making Swissôtel Resort Kolašin an exceptional base for exploration, relaxation, or both.
