**THIS IS THE
CRY OF A
GENERATION**

WE LIVE IN A TIME OF UNPRECEDENTED CONNECTEDNESS

Mass media, global economics, and the internet have eroded cultural boundaries. Today, young people everywhere are strikingly similar, making up a truly Global Youth Culture.

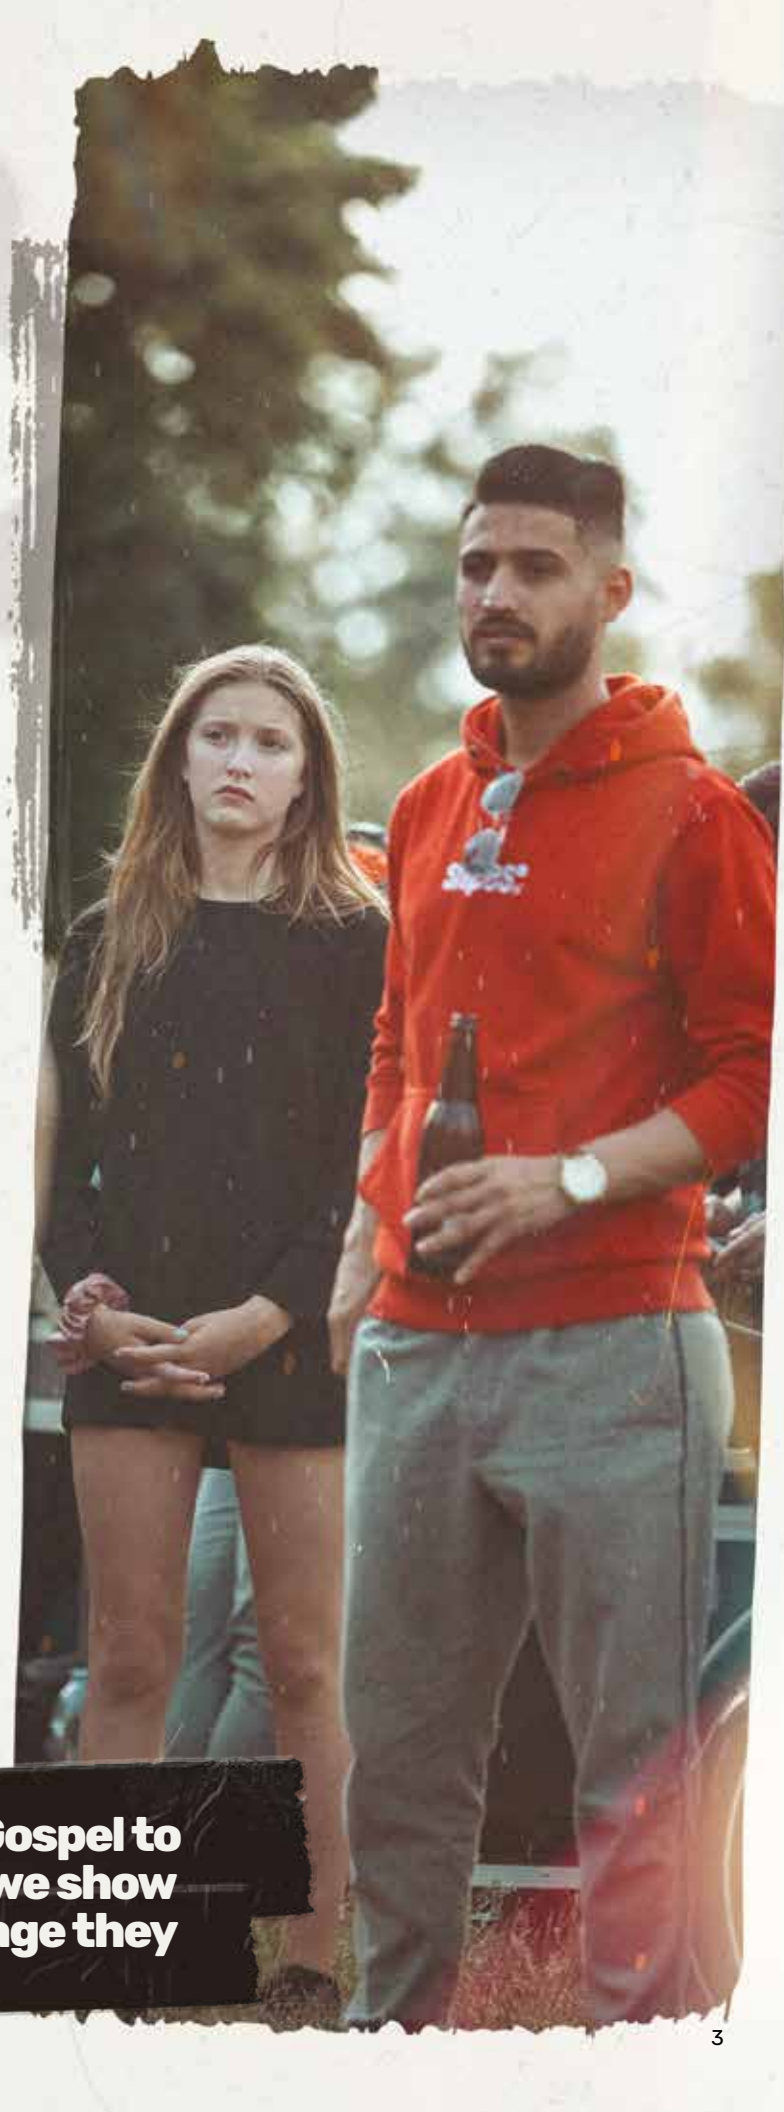

They are influenced by the same voices—following the same influencers, playing the same video games, listening to the same music—and share many of the same deeper values, worldviews, lifestyles, and morality.

They are skeptical of institutional religion and do not share the same assumptions about truth and morality as previous generations. But they are still spiritually hungry—longing for truth, authentic community, and a solid identity in the midst of a shifting world.

Sadly, this generation is not looking to the Church for answers—in fact, many see it as irrelevant. They are apathetic, cynical, or even hostile to the Gospel.

These are our sons and daughters, our grandkids, and their friends.

So how do we communicate the Gospel to this global generation? How can we show them the love of Jesus in a language they will understand?

The world desperately needs a new generation of radical Jesus followers—fully committed, all-in disciples who refuse to stand by while their generation goes unreached.

Our vision is to fuel a grassroots missionary movement by raising up 1,000 young missional leaders—“burning arrows”—through our proven mobilization pipeline over the next five years, resulting in:

Teams in

"THAT'S MY KID"

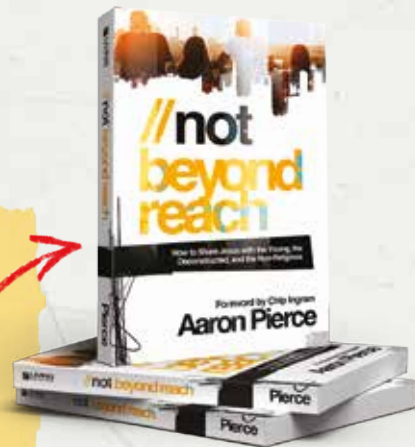

Steiger is connected to many people who have family members now identifying with the LGBTQ+ community, whether as active members or through shared values and beliefs.

Our **Not Beyond Reach Community** is our dedicated space for families navigating the journey with loved ones who have walked away from the Lord.

We understand the heartache experienced by parents, grandparents, and siblings who often feel isolated in their support journey.

We offer support through:

A 10-week facilitated series based on **Not Beyond Reach** by Aaron Pierce, designed to support and encourage people with loved ones who have walked away from the Lord (including those in the LGBTQ+ community).

Monthly prayer calls, providing a space to unite in prayer for your loved ones, fostering community and mutual support.
