VISION NIGHT

**CONFUSED

**WHO WILL REACH OUR KIDS?
OUR FRIENDS' KIDS?
OUR GRANDKIDS?**

The world is more connected than ever before. Mass media, global economics, and the internet have eroded cultural boundaries.

**TODAY, YOUNG PEOPLE
EVERYWHERE ARE STRIKINGLY
SIMILAR, MAKING UP A TRULY
GLOBAL YOUTH CULTURE.**

They are influenced by the same voices—listening to the same music, playing the same video games, following the same influencers—and share many of the same deeper values, worldviews, and lifestyles.

They are skeptical of institutional religion and do not make the same assumptions about truth and morality as previous generations. But they are still spiritually hungry—longing for truth, justice, authentic community, and a solid identity in the midst of a changing world.

Sadly, this generation is not looking to the Church for answers—in fact, many see it as irrelevant. They are apathetic, cynical, or even hostile to the Gospel.

These are our friends, our sons and daughters.

**HOW DO WE COMMUNICATE THE GOSPEL
TO THIS GLOBAL GENERATION?**

**HOW CAN WE SHOW THEM THE LOVE OF JESUS
IN A LANGUAGE THEY WILL UNDERSTAND?**

Here we are. Send us! The world desperately needs a new generation of radical Jesus followers—fully committed, all-in disciples who refuse to stand by while their generation goes unreached.

That's why we are committed to raising up **1,000 "burning arrows"** through our proven mobilization pipeline by 2029—young leaders from around the globe who will:

**establish teams in
500+
cities around
the world**

**reach

through
evangelistic
actions**

**connect with

BECAUSE OF YOU:

Over the past 12 months, throughout Steiger's **Europe, Ukraine, Eurasia, Middle East, Latin America, Brazil, and North America** regions:

We believe God is positioning Steiger for unprecedented impact. By raising up 1,000 Burning Arrows—fully equipped young missional leaders with a wild, childlike faith—we can reach cities, scenes, and subcultures that desperately need the Gospel.

THANKS TO YOU, WE HAVE A PRESENCE IN 311 CITIES AROUND THE WORLD.

SERGIO'S STORY

Sergio is a Burning Arrow from Colombia. In his own words, he was living like the prodigal son — drugs, parties, relationships. It all led him into a deep depression and even a suicide attempt.

Four years ago, on Halloween night, Sergio stumbled upon our Steiger team sharing the message of Jesus in the streets. He accepted their invitation to a Bible study for the non-religious, and through that community, decided to say yes to Jesus.

After being baptized in 2022 and graduating from the Steiger Missions School in 2024, Sergio understood his calling: God wanted him to reach young people who are lost like he once was. In 2025, he became a full-time missionary with the Steiger City Team in Funza, Colombia, pouring his life into sharing Jesus with those who may never step foot into a church.

HOW ARE YOU HELPING? TOGETHER, WE:

1. FUEL A GRASSROOTS MOVEMENT

You empower us to mobilize the next generation of bold Christian leaders and influencers. They go on to fuel a grassroots evangelism and discipleship movement by establishing Steiger MVMTs in cities around the world.

2. RAISE UP YOUNG MISSIONARY SPECIALISTS

Our dynamic, action-oriented mobilization and leadership development program is raising up young missionary specialists who establish long-term Steiger City Teams and other catalytic ministries.

3. TRAIN THE CHURCH

With decades of frontline experience, we train the Church to engage with the culture outside its walls. Our missionary specialists produce world-class resources and relevant content, while also offering training events and outreach opportunities to equip followers of Jesus.

STEIGER RESOURCE LIBRARY

Our Resource Library features practical tools, books, videos, and training to support churches in engaging and reaching the Global Youth Culture.

SAUDI ARABIA

Recognizing the deep spiritual hunger among Saudi youth, we have prayerfully set the goal of establishing a Steiger City Team in Riyadh by **2034**, led by local believers. After a successful pioneering trip in 2025, our team is continuing to see fruit as they follow up with the young people they met there. In 2026, we plan to send TWO short-term teams to Saudi Arabia, with 4-5 team members staying on for three months, following up with those they connect with.

EUROPEAN MISSIONAL HUB

DOM - WROCLAW, POLAND

“DOM” will be our European hub for frontline evangelism and discipleship—a place where Steiger Missions School graduates, catalysts, and young leaders from around the world gain hands-on training in the center of the action. We purchased the property and began renovations in 2025, and plan to complete the remainder of the work this year. DOM will allow us to double the number of internships offered in Europe in 2026 and quadruple it by 2030, along with providing a physical location to receive short-term missions teams, host weekly evangelistic events for hundreds, and more.

EXPENSE ALLOCATION

DONOR TO OWNER

My heart is to help more friends see and take part in what God is doing through this movement worldwide.

Ed Bastian, CEO of Delta, often says, "When people feel ownership, everything changes." That's the invitation I want to extend to you.

Would you prayerfully consider becoming an **owner** of this mission?

Owners carry the work forward by praying, giving as God leads, connecting, and uniquely joining what God is doing through Steiger. The movement grows as each of us helps open doors and bring others along.

If you sense God may be leading you in this way, I'd love to connect. You can reach me at **chad.johnson@steiger.org**

I'm so grateful for you and expectant for what God will do.
