TECHNICAL INFORMATION

A classic Southern Italian-style red, the 2024 Luna Nuda Red Blend is crafted from Nero d'Avola, Syrah, and Merlot grapes. The Giovanett family hand-selects the fruit from vineyards across Sicily, then transports it to Alto Adige for vinification. The wine is aged six months in new French oak barriques.

The 2024 vintage was shaped by an early start to Sicily's 100-day harvest. High heat and drought conditions lent the wine remarkable aromatic complexity.

TASTING NOTES

Brilliant ruby red in color, with an intense bouquet of berries. Medium-bodied on the palate, with a delicate, harmonious finish.

PAIRING SUGGESTIONS

Pairs beautifully with grilled red meats, roasted lamb, hearty pasta dishes with tomato-based sauces, aged cheeses, and Mediterranean fare such as eggplant parmigiana or sausage and peppers.

Please drink responsibly.
