About us

GPX Marine was founded by Pierluigi Galasso, driven by his love for the sea and his hometown, Naples.

Based in Naples, the company and its team offer customized solutions to experience the sea in complete freedom and comfort: from organizing private charters — ideal for exclusive holidays or day trips — to sea transfers to the Gulf of Naples islands, the Pontine Islands, and the Aeolian Islands. We also handle berth reservations and tailor-made tours. GPX Marine is an official dealer for some of the most prestigious shipyards (including Rizzardi) and is also involved in the sale and purchase of pre-owned boats.
